McBride Secondary School will be registering new students on Thursday, August 29th and Friday, August 30th. Students are asked to bring a recent copy of their transcript so that an appropriate course of study can be arranged for each individual student. The McBride Secondary 2002 - 2003 school year begins on Tuesday September 3. Buses will pick up students at their regular times in the morning. This short day is very important for students as we will be running through classes to ensure sufficient enrolment and identify timetable concerns that need to be addressed. Buses will leave the school at 10:00am to return students home. Regular instruction begins on Wednesday, September 4 as Day 1 - Block order A, B, C, D.

McBride Secondary School is now accepting applications for community coaches for a great variety of sports programs. If you can dedicate a couple of hours per week with some weekend tournament commitments and are interested in working with energetic and dedicated students as a coach/mentor for the coming volleyball or basketball seasons, please contact Mr. Rick Thompson, Principal at 569-2295. All volunteers must complete a volunteer application form and a criminal record check. Additional information is available from the school. Strong community participation improved the quality of the learning experiences for our youth.
