THANK YOU

Hi McBride...it's Ingrid Puta. Just a quick but sincere thank you to all those who have concerned yourself over my health. While there are moments I can't remember, I really want to thank both Fraser and Willy who first attended to my situation. Then to Carrie, Cecile and Dr. Herman Venter and others on the hospital staff who struggled with me and brought me back from a very poor condition. I am forever grateful. While I was sent off to Quesnel (thanks Diane for covering for Frank while he was with me) and then returned to Nanaimo, I haven't forgotten. I truly felt all the prayers that were sent my way. I am doing so much better that I want to get back to my garden, but now know better. A step at a time. Thank you all so very much. From my tired heart my best wishes to all...hope to see you in the Spring.

POLICE REPORT

September 25, 2002 - RCMP received a series of complaints of theft from vehicles, and back yards, within the village in the late evening early morning hours. The culprits used a variety of techniques to gain access to the locked and unlocked vehicles. The items that were taken included Stereos and various equipment, CD's, amps, tools, cell phone, 3 wallets, purse, cash, Browning compound bow, bow and arrows, bicycle, stereo plate, cassette and c changer, ac/dc inverter and other miscellaneous items. Another vehicle had a window broken but nothing was taken. The McBride RCMP are currently doing an extensive investigation into this matter, and anyone with any information is asked to please contact the RCMP at (250)569-2255.

September 26, 2002 - In the early morning hours, RCMP received a report of a single semi roll over 15 km west of McBride on Highway 16. The driver swerved to miss a moose and ended up in the left ditch. There were no injuries although the vehicle is irreparable. Flag personnel were dispatched to the scene, to control traffic because re-bar was spilled over the highway.

On September 27, 2002 - at 11:15 hours, the McBride RCMP responded to a motor vehicle accident approximately 70 kilometres west of McBride - The investigation revealed that 72 year old Wesley Lorne ACCORN of Prince George was driving his 1999 Chevrolet Tahoe eastbound on Highway 16 when he crossed the center line into the oncoming traffic lane. Mr. ACCORN collided head on with a tractor trailer unit, which was travelling westbound at the time. The tractor unit ended up down a steep embankment and caught on fire after impact. The driver of the tractor unit suffered minor injuries. Mr. ACCORN was pronounced dead at the scene. An autopsy is scheduled for September 30 in Prince George. The cause of the accident is still unknown at this time.

September 27, 2002 - A report of theft of a Craftsman riding lawn mower was received. The mower was stored in a garage at a local residence. The mower is valued at approximately \$1,800.00, there are no suspects or witnesses and is currently under investigation.

The McBride RCMP would like to inform anyone wishing to apply for a Parolon, that we have the forms available at the Detachment. We also have a few bikes that have been turned in this year and no one has claimed them. If you are missing your bike, please check in and we can see if we have yours.
