Serving BC's Friendliest Town and Area!

For the week of *Wed., Nov. 20th, 2002*

IN MEMORY OF JOYCE TAPHORN

We are having a little trouble finding the right words to say Thank-you to not only you the community but also to the many friends who brought food, flowers or stopped by to chat. We love you all and we won't soon forget, you will always hold a special spot in all our hearts. -Paula Taphorn, -Ron, Sheila & Family, -Karen, Jim & Family -Brian, LeeAnna & Family, -Melvin, Kelly & Family.

COMMUNITY ANNOUNCEMENTS

Thank You McBride Minor Hockey Association - I am writing on behalf of the players, coaches, and parents of the Prince George Pee Wee 1 C.U.P.E. Hockey Team. We wanted to express our thanks for the great weekend during the Nov. 16th & 17th hockey tournament. Thanks to Kathy Molendyk and her team of volunteers. Thanks to the people who organized, staffed & donated to the raffle table and the 50/50 draws. Thanks also to the rink attendants & the skate sharpeners, you have a great Arenal! The Sandman Inn was very nice also. It was great to visit such a friendly community. Thanks for a fun weekend! Sincerely, Norma Phillips, C.U.P.E., Pee Wee 1.

Yoga Workshop - In this workshop, you will explore how we respond to stress and how it affects us physically, mentally and emotionally. You will learn yoga techniques to help us deal with these stresses and to re-connect with the joy and peace that we celebrate each December. It's happening November 30 / 02, at the Dunster Hall from 10:00 - 5:00 and cost is \$40.00. *you need to bring a yoga mat, cushions and a blanket. Wear loose clothing and bring a bag lunch. For more information, call Annie Baker @ 968-4434. Minimum 8 participants required. (Please pre-register.) At 5:30, a potluck dinner and an evening of Circle Dancing will follow. Plan to make it a Day!!!

AROUND OUR SCHOOLS

McBride Secondary School will be holding a parent/teacher evening tonight starting at 7:00PM. Parents can drop into the gymnasium and discuss student progress. Report cards were distributed to all students at the end of the day last Monday.

McBride Secondary Grade 8 Boys Volleyball will be travelling to John McInnis Secondary in Prince George this coming weekend to compete in their zone finals. Good luck to all players and coaches. The Ministry of Education has proposed changes to the Graduation Program for implementation beginning in September 2003. These changes will affect students currently enrolled in grades 9 and lower. McBride Secondary will be hosting an information session so that parents will have a greater understanding of the proposed changes and to obtain feedback regarding the changes and to provide information on how parents can respond directly to the Ministry. The meeting will be held in the school library on Thursday, November 21 starting at 7:00PM.

November 10, 2002 - A report of a deer illegally shot on private property was reported at approximately 0700 hrs. The complainant heard the shot but never saw a vehicle. Investigation revealed the head and horns were taken off of the deer and the rest of the body left. The Conservation Officer in Prince George was notified and the investigation is continuing. Anyone with information is asked to contact the local detachment, the CO Office or Crime Stoppers.
November 10, 2002 - A report of a residential alarm was received. The alarm was concluded as false upon attendance.

November 12, 2002 - RCMP received a report of an ATV found upside down on Highway 16 near the West Twin. The investigation revealed that the ATV had been stolen earlier in Rocky Mountain House, Alberta. It is believed that the culprit(s) were heading to Prince George.

November 12, 2002 - A report of a business alarm was reported and attended. It was also concluded as false. It was noted that the business was experiencing trouble with their phone lines which is linked to the alarm.

Shortly after, a phone line was discovered down near the Highway 16 and 1st avenue intersection which was the cause of a few business in town losing their phone service. Interior Roads personnel flagged the scene until Telus arrived to fix the problem.

November 12, 2002 - A report of theft of 2 snowmobiles was made. The incident occurred sometime in the early morning hours of the 8th of November. The sleds were taken from the rear of a local motel. The investigation is ongoing. Anyone with information is asked to contact the local detachment or Crime Stoppers.

THE McBRIDE DETACHMENT WANTS TO REMIND EVERYONE THAT SMALL RURAL COMMUNITIES ARE OFTEN TARGETED BY THEFT RINGS FROM LARGER CENTERS. ONE OF THE MANY REASONS IS THAT LOCAL RESIDENTS BECOME VERY COMPLAISANT AND RELAXED, BECAUSE OUR CRIME RATE IS LOWER THAN LARGER CENTERS, MOST PEOPLE DON'T TAKE THE TIME TO SECURE THEIR RESIDENCES, VEHICLES AND PROPERTIES. WE ARE URGING ALL RESIDENTS TO BE MORE CAREFUL AND TO KEEP THEIR PROPERTIES SECURED WHEN NOT ATTENDED. LET'S NOT MAKE IT EASY FOR THE THIEVES. PLEASE REPORT ANY SUSPICIOUS ACTIVITIES, VEHICLES OR PEOPLE IMMEDIATELY AND KEEP AN EYE OUT FOR YOUR NEIGHBOURS. WE ARE DETERMINED TO MAKE McBRIDE A SAFE PLACE TO BE FOR EVERYONE BUT WE CAN'T DO IT BY OURSELVES. WE NEED YOU!
If anyone has any information that could assist the RCMP with the recent thefts in the area, please call the McBride RCMP at (250)569-2255 or Crime Stoppers at 1-800-222-TIPS. You will remain anonymous.
The remainder of the calls were of a general nature and routine in service.

MGBRIDE CREDA

McBride CREDA has been in operation since 1984 offering a variety of continuing and community education courses - from bookkeeping to tie-dye, from bath bombs to word processing, from art to first-aid and everything in between.

Until this year, most of the operating money to fund the building overhead and wages of a program administrator came from the College of New Caledonia in the form of an annual grant of \$12,500. With the cut-backs at C.N.C. this annual grant is no longer available.

At the present time, CREDA is trying to redefine its role in the community. Over the past few years, there has been a steady erosion of demand for the courses we had offered. Some was due to a changing economy (less demand for airbrakes, first aid, etc.), some was due to other agencies offering their own training courses (government agencies offering computer training or the High School offering upgrading) and some was due to a decline in the amount of disposable income people had to spend on courses.

The CREDA Board believes that the courses, information and other community-building aspects offered have been valuable and that the need for them may change but will not diminish. The challenge in our struggling economy is to find a way for CREDA to survive so we can offer courses and other services to the community.

An informal survey to gauge community support for CREDA was conducted last spring. Over 98% of the respondents supported the value and continuity of CREDA.

Over the next few weeks, various avenues will be explored in an attempt to secure McBride CREDA's future. If you have ideas, suggestions, or solutions, we invite you to call in or call and leave a message at 569-3379. (creda@mis-2002.net).
