**THANK YOU**

The McBride Rookie T-ball League would like to thank the McBride Elks for their sponsorship of new equipment for the league, Marketplace IGA for the donation of hamburgers, hot dogs and drinks for the bar-b-que and the past Fiddlers ball team for a cash donation; which will go towards prizes and such for the year end wrap up on June 18th. The kids and their parents would like to give a special thanks to the coaches & their helpers, we wouldn't have been able to do it without you.

The Chamber of Commerce would like to thank the following businesses that helped beautify main street by donating for the hanging baskets: Health Heart & Home, Scotiabank, Wahoo, Forever Printing & Signs, Stedmans, Advantage Insurance, Home Hardware, Bigway, IGA, McBride Realty, Balcaen Electronics, Robson Valley Auto Services, Husky, Powerhouse Pub, Bell Mountain Motel, McBride Hotel, Ride & Hide, Steve Gillette, Logger & the Lady and DSD Computers. A special thank you to Laird and Phyllis Irvine for their hard work of making and taking care of the baskets throughout the summer.

I would like to thank you all for your cards, flowers, gifts, visits and prayers while I was away in the hospital. Thanks to Jim Harte for getting me here; to Wayne, Rachel & boys for being here. Dr. Cowburn, Appleby, Bishop & all the nurses & staff whom were here in my care. Thanks to those whom helped my wife, while I was away - your all a great bunch of people!

-Yours Truly, R. Ian Anderson

**COMMUNITY ANNOUNCEMENTS**

Dear pet owners of McBride. This is an open letter to everyone who has dogs that run loose around the village. I am sad to report that someone's dog rather viciously mauled one of my cats late Sunday night. I would like to ask that owners please try to keep their pets either in their yards or on a leash so that no one else has to feel the sadness of finding one of their beloved furry friends in the same state that I had to find mine today. I am thankful that it was myself and a friend that found her and not one of the many children that walk past on their way to and from school. Diana was a beautiful gray striped tabby that was very friendly to all. She was wonderful with the kids, having been their pet since infancy and had a wonderful personality, a little shy at first but very loving and sweet. I ask that you please have the compassion to take care of your animals to avoid causing others such heartache, and to think of how awful her last moments must've been, scared and hurt and alone. Thank you. -The Seney Family.

**BEAR SAFE**

In a publication from the World Society for the Protection of Animals, a few pointers and myths about Bears was supplied. Myth 1 - People travelling in bear country are often attacked: Bear attacks are extremely rare. Although there are hundreds of human-bear encounters in Canada every year, only a very few result in personal injury. Myth 2 - All mother bears attack to defend their cubs: The female black bear will rarely attack defensively. She is most likely to tree her cubs, and try to intimidate you by acting aggressively while waiting for the threat to pass. Female grizzlies are much more aggressive in defense of their cubs. Myth 3 - A bear that rears on its hind legs is getting ready to attack: A bear standing on its hind legs is usually trying to catch your scent or get a better look at you. Bears very rarely attack and when they do they attack on all fours. Myth 4 - Bears that wander into inhabited areas such as campsites, rural towns, or cottage communities are dangerous. It is often necessary, if unfortunate, to kill these bears: It is nearly impossible for a bear to make its daily excursions without walking through someone's property. Bears may travel hundreds of kilometres in their search for food. If you have stored your food and garbage properly, the bear will likely move on. Remember, problem bears aren't born, they're made. If bears are hanging around, something is attracting them. Removing the attraction will usually solve the problem. Humans and bears can live together! The McBride RCMP has made several copies of this pamphlet which includes a lot of helpful information in storing food in campsites, what to do when approached by a bear, and how to identify different species of bears. Feel free to drop in and receive a copy. Our goal is to keep the community safe and educated!

**LOGO CONTEST**

MCBRIDE COMMUNITY FOREST CORPORATION:

The McBride Community Forest Corporation is looking for help from the public in designing its new corporate logo. We will be holding a logo contest and awarding prizes to the winner and runners up.

Logos will be judged on ease of reproduction (letterhead, stitching, etc.), compatibility with the Village of McBride logo, and suitability in expressing the community forest goals of integrated forest management.

Logos must contain either "McBride Community Forest Corporation" or "MCFRC" and should be in colour. Entries can be submitted on any suitable piece of paper, but must contain your name, address, and phone number on the back. Enter as often as you like.

Entries can be dropped off or mailed to The McBride Community Forest Corporation, 100 Robson Centre, Box 519, McBride, B.C. V0J 2E0

Entries must be received by 4:30 p.m. Friday, July 11th, 2003.
