POLICE REPORT

June 22, 2003 - RCMP responded to a single vehicle crash on Highway 16 East of McBride near Baker Creek. The male driver left the wet highway on a corner, and crashed into the bushes. The driver sustained major cuts and was transported to McBride Hospital by ambulance. Damage to the vehicle is irreparable.

June 22, 2003 - A report of a hit and run to a vehicle while it was parked at 100-1st avenue at the McBride Hotel. Minor damage was sustained to the unoccupied vehicle. This matter is currently under investigation.

June 24, 2003 - RCMP responded to a call of an injured moose in the middle of the highway, 16 km west of McBride on Highway 16. The vehicle that hit the moose left the scene. While attending to the scene of the crash another semi truck hit the moose in the middle of the road unaware that it was there. As a consequence the vehicle left the road and the driver sustained minor injuries to his back and neck and was taken to McBride Hospital. Unfortunately the moose died as a result of injuries from the incident.

June 24, 2003 - A complaint of a vehicle speeding through a school zone on numerous occasions was reported. Inquiries were made and a local male was issued a violation ticket for speeding in a playground zone.

June 25, 2003 - RCMP received an alarm at an establishment on Main Street. Freight had fallen down in the building causing the alarm to go off. The file was concluded as a false alarm.

June 26, 2003 - Another alarm response call was received, the call from a business on 1st avenue. Investigation revealed that an employee forgot to lock the door when leaving. The alarm was concluded as false.

June 26, 2003 - A report of a single vehicle crash was reported 14 km East of McBride on Highway 16. The passenger suffered major cuts and was taken to McBride Hospital. The driver of a silver Dodge Pickup was issued a violation ticket for driving without due to care as he crossed the center line after falling asleep.

June 26, 2003 - RCMP received some collectors USA and Canadian coins that were found in the Village. The items can be claimed by identifying same at the RCMP Station. June 26, 2003 - A report of Break and Enter and theft occurred at the Village washrooms located in the Robson Center. The door knobs were broken off inside the washrooms and a lawn mower was taken. If anyone has information that may be of assistance, please call the office at (250) 569-2255.

The remainder of the calls were of a general nature and routine in service.

Frequently Asked Question

What is the definition of a "Local Artist"?

Who do we consider a "Local Artist?" A local artist at the Whistle Stop Gallery is an artist who lives in the Robson Valley or Electoral Area H. Judging from the many talented artists who have appeared from this area, we definitely have something to be proud of!!

By Steffi McLean

COMING EVENTS

Carolina Franke is organizing a paint-the-station project. The painting will be done by local young people who are donating their time. Painting date is scheduled for July 6, 03. Congratulations, Carolina, and the young people of McBride!

CONTACT THE GALLERY

If you have any questions or comments about The Gallery or this newsletter, please contact us at 569-8891.

ATTENTION ARTISTS AND CRAFTERS

The Whistle Stop encourages new artists to become members of the Gallery Society. If you are interested in displaying and selling art at the gallery, please bring us a sample of your work, and we will be happy to sign you up.

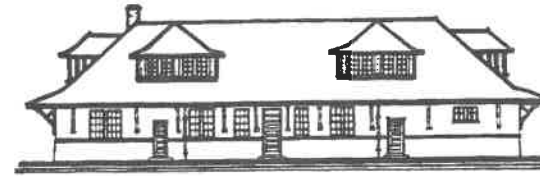

Artist Showcase

The Whistle Stop Gallery hosted a "Pioneer Days Artists Showcase". This event featured local gallery members displaying and demonstrating their work. The showcase took place at the train station Saturday, June 21, at 11:00am.. A draw prize was a part of the showcase. Anyone who made a purchase at The Gallery during the day of June 21, 03 had their name entered for the draw. The winner won a painting by a local artist. The winner of this prize was Irene Langford.

The Whistle Stop Gallery

Opened in December of 2000, the gallery is still rapidly growing. We now have over 70 local artists who display works in the Whistle Stop. The inventory is constantly changing. The gallery always has something new to admire. Every visit to the gallery is sure to be a different experience. The beautifully remodeled train station attracts many tourists in the summer months. We now have 2 neighbouring businesses; Beanery 2, and the Tourist Info Centre. With more traffic coming for these services, we are becoming busier than in previous years. It's time to come and check out all the unique aspects the Gallery, Beanery and Info Centre have to offer.

WHAT'S NEW IN THE GALLERY?

There has been many exciting things happening at the Whistle Stop. With the tourist season approaching we have our part time employee and author of this newsletter, Martina Kelley, and we have hired a student, Carolina Franke, for the summer months.

We have had many new arts and crafts come into the Gallery this month as well. Here is a short list of some of the many new and exciting items in the gallery.

Journals with a Pen by Marilyn Carlaw
Angels and Bears by Karen Desormeau
Maple Leaf Mobiles by Barb Jeck
Fairy Mobiles by Margaret Griffiths

This is just a short list of the many new items available in the gallery. Come and see them for yourself !!!

Did you know?? The Gallery features only Local Artists' work??

A Little Fame and Fortune

McBride's very own Glen D. Frear is a bit of a celebrity these days. Glen has recently had his painting published in "PG THIS WEEK". Glen visited Prince George for a Forest Exhibition at the Two Rivers Gallery where one of his paintings of a old logging road etched into the mountain terrain is on display there until June 13th. After the 13th, Glen's painting will be displayed at the McBride museum after the 13th, so be sure to stop by the library and take a look. Good job Glen! We are very proud of you!
