CONGRATULATIONS

Duane McClinton, living in Winnipeg, Manitoba and formerly of McBride, competed in the Highland Heavy Games in Calgary on August 30, 2003 winning a silver medal against 16 other competitors. This is Duane's second year competing and his wife Carolyn (a figure skating teacher), his Mother and Sister, Cousin and family and 2 Aunts and Uncles noticed and admired how his technique gets so much better each year. On Sunday August 31, Duane competed in Cammore, Alberta again in their Heavy Games. We were very grateful the weather was so beautiful as were the hundreds of other viewers. Duane competed in all nine events and won Gold by 30 points over his 8 other competitors. There were 13 competitors in all and Duane was 1 point away from a Bronze Medal over all. The events are Putting the Stone (Braemar and Open), Throwing the weight of 56 pounds and 28 pounds in which duane achieved a personal best of 50 feet 8 inches. Duane then competed in Throwing the weight of 65 pounds over the bar, the Sheaf Toss (throwing 20 lbs. with his homemade pitchfork over a bar) to 20 feet high and Throwing the Hammer. Duane threw 64 feet 11 inches in the 22 pound and 84 feet 9 inches in the 16 pound hammer. The last event is always the Caber Toss in which Competitors throw a 15 foot pole weighing 130 pounds and try to flip it for a 12 o'clock score. Duane did very well in both Calgary and Cammore and we are very proud of him.
-Linda McClinton

-August 29, 2003 - RCMP received a report of an intrusion alarm at 1021 Frontage Road. A member attended the business and the alarm was found to be false.
-August 31, 2003 - RCMP responded to an incident at 100-1st Avenue, where one male had been throwing chairs around and causing a disturbance. Patrols were made and the male was located on Main Street near the IGA, causing a disturbance. The man was arrested for Drunk in a Public Place and was lodged in cells until sober the next morning.
-August 31, 2003 - In the early morning, police were alerted to a mini van upside down in the ditch 16.3 km East of McBride on Highway 16. A passer-by had come upon the single vehicle crash and took the driver to McBride Hospital. The driver was treated for lacerations to the head and hand areas. There was only one occupant in the vehicle at the time of the crash.
-September 01, 2003 - A chemical spill from an unknown substance was reported at 868 NW Frontage Road. Environment Canada was contacted and appropriate safety precautions were followed and the matter was dealt with.
-September 02, 2003 - A women's Saskatchewan Drivers Licence was turned into the RCMP Station. The ID was left in a gas station washroom and turned in by employees. RCMP are trying to locate the owner of the ID with negative results.
-September 04, 2003 - A Husqvarna chainsaw was turned into the office after being found on the side of the road near Koeneeman Park. The following day, the owner came to report that they had lost a chainsaw the day before. The description given, correctly matched that of the Chainsaw and was returned to the owner. Thank you to the honest citizen who turned the item in to the RCMP.
-September 05, 2003 - A bear has been spotted in the Dominion Creek area in the Village. We urge citizens to use caution in this area and to keep your children out of the bush areas. Prince George Conservation has been notified of the incident. The bear seems to be harmless at this time and we ask the Highschool students to use the roadway on 2nd avenue to go to school instead of going down by the bridge.
The remainder of the calls were of a general nature and routine in service.
