Canada's National Horse has arrived in McBride

Dreams Reach Farms, owned by Joy Marsh and Adam Conway, has brought eight Canadians to McBride. This makes McBride home to one of the largest Canadian Horse Breeders in Western Canada. "We wanted to move our breeding program to McBride, the opportunities available in this local are just too good to pass up" says Adam, "and in the near future we will have an equine semen collection and cryogenic facility up and running. I believe it is the only facility north of Kamloops". The history of the Canadian horse is very compelling. The first horse to gallop on Canadian soil was unloaded at Quebec on June 25th, 1647. It was sent as a gift to the governor, as it was thought unfitting that a knight should be without a horse. Eighteen years later on July 16th, 1665, ten mares and two stallions arrived. In 1667, another two mares and a stallion arrived. In 1670, a final shipment of eleven mares and one stallion were unloaded at Quebec. King Louis of France sent these horses to his colony. He sent the best of his personal stables, however we do not know the breeds. From there, the Canadian horse was born. There were no more horses sent to the colonies for several hundred years. Since there was no outside blood, the horse evolved into its own distinct breed. The Canadian Horse is a rare breed, only about 4000 in the world, well known for its hardiness and its role in the development of many other breeds. "We fell in love with these intelligent, gentle, people oriented horses and can't wait to introduce them to everyone," says Joy. Dreams Reach Farms' band of horses includes 2 year old Supreme Canadian Champion Stallion Woodmont Furtie Lawrence. If you have any questions feel free to call us at 569-8880 and we will be happy to answer them.

POLICE REPORT

October 18, 2003 - RCMP received a complaint of damage to a vehicle that was parked at 100 1st Avenue. The suspect vehicle was located and the driver was issued a violation ticket for Backing Unsafely.

October 22, 2003 - A report was received of a single vehicle crash involving a deer 1 km west of the Holmes River bridge. The driver sustained minor injuries.

October 23, 2003 - RCMP received a report of an abandoned auto and stolen auto from a location on South East Frontage Road. The abandoned Jeep Cherokee had been previously stolen from Clearwater where two other vehicles had been dumped after being stolen from Lillooet. The vehicle stolen from McBride was a black 1994 Dodge Dakota Sport Extended cab. The vehicle did not have licence plates attached to it but was insured. The incident occurred between 10pm, October 22 and 6am October 23. If anyone has information that may assist the RCMP, please call (250)569-2255.

October 23, 2003 - A report of a damaged gate at a residence on Hinkelman Road was reported. The gate had been driven over and the lock broken. This matter is under investigation.

October 23, 2003 - In the late evening a report of 5 dark SUV's with European plates were reported to be driving erratically, passing vehicles on top of hills and speeding. The information was forwarded to outlying detachments.

The remainder of the calls were of a general nature and routine in service.

HALLOWEEN safety tips:

1. Wear make-up instead of a mask so you can see properly.
2. Go trick-or-treating with family or friends. Let people know your route.
3. Have an adult check the treats you collect before you eat them.
4. If someone invites you alone into a house, say "No Thanks".
5. Don't go anywhere with someone you don't know.
6. Only go to homes with their lights on.
7. Walk, don't run and look all ways before crossing the street. Trick-or-treat on one side of the street and then the other side.
8. Use a flashlight to help you see in the dark.
9. Walking is easier when you have on a short costume.
10. To improve visibility, wear light colors or attach reflective cloth or stickers to your costume.

This information was taken from the Canada Safety Council. Website: www.sass.ca
