Motorists please take extra caution when you see pedestrians, children and dogs walking on our streets here in McBride. While we were out walking, SOMEONE took away our dog who was so dear and "PRECIOUS", away from us. -George & Janice Lipke.

VIOLENCE

Every **Home A Safe Home** - a public information session. Services to women who have experienced or are experiencing abuse have been available in the Robson Valley for over ten years. Awareness of violence against women and children has increased in that time because of these services. In order to continue our outreach into the community, we are offering two public information sessions. If you would like to know more about this issue, helping a friend, and ways to increase safety in your home or the community, please join us. For more information, call: 566-9107 or 569-2266. Presenter: Morgen Baldwin is an independent trainer and consultant, specializing in community development and training in the areas of violent relationships, sexual assault, and criminal harassment. Morgen worked in Prince George, BC, at the Elizabeth Fry Society for 7 years, and was involved in a community strategic planning project, shelter outreach, and community-based advocacy. Currently, Morgen is one of the regional coordinators with Community Coordination for Women's Safety, a project that is working to enhance local coordinated responses to violence against women across BC. **Valemount** - Tuesday, December 9th 7:00 - 9:00 PM. **Valemount Learning Centre** 98 Gorse Street. **McBride** - Wednesday, December 10th 7:00 - 9:00 PM. **Robson Valley Home Support Society** 942-3rd Avenue. MCBRIDE INDUSTRIAL ADJUSTMENT COMMITTEE

The McBride IAC is seeking final input on ideas focused around enhancing employment and human resource development in the McBride area. The McBride IAC met with a number of focus groups during the month of October and received a broad range of ideas and is presently in the process of reviewing assessing these ideas. A number of people were not able to attend these sessions so this is your opportunity to contribute any ideas you might have which would address the employment or re-employment needs of the local labour force. In addition we would like to hear from you if you're an employer and you have issues around human resource planning or upgrading skills for your employees. If you need further information then please call Ken Starchuck at 569-0078 or the Robson Valley Home Support office at 569-2266. Deadline for ideas is Friday, December 5th, 03 and they can be dropped off at the Robson Valley Home Support Office during normal business hours.
