**POLICE REPORT**

2004-01-28 McBride detachment members were dispatched to a call of a motor vehicle crash involving two moose, attempting to cross the highway. The 1995 Ford pick up was traveling west bound on Highway #16 when the cow moose was helping its calf across the road. Unable to avoid the impact, the calf and the pick up collided. The driver sustained no injuries and both moose had left the area upon police arrival.

2004-01-28 The driver of a tractor trailer unit and a non-local pizza delivery truck attended the detachment to report that they had both been involved in a motor vehicle accident. East of McBride on Highway 16. As a result of limited visibility, the delivery vehicle rear ended the tractor trailer, causing structural damage to itself, and only minimal damage to the semi. Both of the drivers suffered only minor injuries.

McBride Detachment has responded to several motor vehicle accidents in the past week, as a result of severe weather conditions and wildlife. It is just a reminder to please take extreme caution when driving when visibility is low and reduce speed considerably. Over the past week, McBride RCMP received numerous complaints of break and enters to vehicles, and to one residence. Several items were taken such as wallets, various credit cards, money, T.V.'s, stereo equipment and personal identification. The culprit then travelled to Hinton Alberta, and used the credit cards purchasing several items totalling \$1600.00. A tip was received that the unknown person may have in fact been a local resident. After arriving back in town, the local male was brought into the detachment by Police for questioning. The male admitted to all of the acts of theft and now faces several charges of theft under, possession of stolen property, and credit card fraud. He will appear in court at a later date.
