Law 12 Field Trip - Mr. Dunn's Law 12 class will be travelling

P.A.R.T.Y. Program - McBride Secondary grade 10 students will
 be travelling to Prince George on Thursday, May 13 to participate
 in this program sponsored by the Prince George Regional Hospital.
 The Prevent Alcohol and Related Trauma in Youth Program involves
 a full day at the hospital in which students have an RCMP
 presentation, a presentation by a Physician, Tours of ICU, Morgue
 and Chapel, debriefing with a Social Worker. Students are required
 to bring a bag lunch for the 'Eating with a Disability' session. The
 afternoon involves an Injury Survivors presentation and a Rehab
 presentation. Even though the day is full and non stop, there still
 may be some time for shopping before the long trip home. McBride
 Secondary has participated in this program for at least four years.
Geography Class Plans Field Trip to the Columbia Ice Fields
 - Mr. Edwards and his Geography 12 class are planning a field trip
 to the Columbia Ice Fields at the end of this month. The purpose
 of this curricular field trip is to see the geological formation in that
 area.

Golf Team - Congratulation to the McBride Secondary School Golf
 Team for their commendable performance at their tournament this
 past weekend. Competition is always difficult for our team as they
 have very little opportunity to get on the greens prior to the
 tournament and they are competing against teams that have courses
 that are without snow long before we are. To quote the coach/
 sponsor "We didn't come in last!"
