POLICE REPORT

2004/04/16 - A complaint was received of a break and enter and theft to a local residence's shop. The lock on the back door was pried off and several tools worth several thousands of dollars were taken. Evidence was found at the scene and this matter is still under investigation.

2004/04/16 - While on patrol, police noticed an abandoned vehicle at Lucille Mountain Parking Lot. Enquiries through the police computer revealed that the licence plate on the vehicle was stolen out of Prince George. The vehicle itself however had not been reported stolen and was registered out of Vancouver. The licence plate was dealt with accordingly, but due to the strange circumstances of the vehicle, this matter is still under investigation.

2004/04/25 - McBride RCMP received a complaint of an erratic driver. The vehicle was seen travelling at high rates of speed throughout the village. The driver, a female resident of Valemount, was located and given a warning.

2004/04/29 - A complaint was made of a theft of a bike. The complainant had left the black BMX Dirt King at a friends house where it was later taken from. Anyone who has information with respect to this matter is asked to contact the McBride RCMP.
