Summer Fun Program 2004

Starts July 6, 2004 - This year the Summer Fun Program of 2004 is going to be filled with fun and excitement. We will be promoting the use of books and the Internet, will also be doing crafts and activities. This summer each week is going to have a different theme, which are going to be based on books, for example we will be having a Dr. Seuss week and a Franklin week. Each age group will be getting something different out of this program. With the zero to three year olds some of the things that we will be doing is singing nursery rhymes involving actions, putting on puppet shows and we will also be doing finger painting. For the ages three to six or preschool ages we will be reading stories, playing indoor/outdoor games, games on the computer, and doing crafts. The ages six to ten we will be reading books either by buddy reading or just silent reading, we will be playing indoor/outdoor games and games on the computer, doing crafts and going to the park. The ten to twelve year olds will also be reading, they will be shown how to use a computer and how to find different things on the Internet, they will also be doing crafts, and playing games outside. The teens will be mainly taught how to get around on the Internet, and shown how to get an email account. The Summer Fun Program is held at the Library Annex (which is right beside McBride Public Library). All are welcome to participate in this years Summer Fun Program.

THANSGIVING NOVENA TO ST. JUDE

O Holy St. Jude, Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance. Help me in my present and urgent petition. In return I promise to make your name known and cause you to be invoked. St. Jude pray for us and all who invoke your aid. Amen. Say three Our Fathers, three Hail Marys and three Glorias. Publication must be promised. This Novena has never been known to fail. I have had my request granted. Publication promised.
