### HAPPY THANKSGIVING DAY THANK YOU

The children of John Littlechild would like to say Thank You so much for The Prayers, comforting words and cards. To our wonderful Pastor Fred Carr and his wife Barb, also to Gene Runtz. To all the people who brought goodies to the luncheon. I have this Poem to share.

### THE DASH

I stand here today and remember the date of my Dad's Birth and Death. Born Dec. 16, 1938 died Sept. 14, 2004. But what matters most of all was the Dash between those years.

For the Dash represents all the time that he spent alive on earth and now only those who knew and loved him know what that little line is worth for it matters not how much we own, The Cars...The House...The Cash What matters is how we live and love and how we spend our Dash.

So think about this long and hard, and maybe there's things you'd like to change for you never know how much time is left (you could be at Dash mid-range.) If we could just slow down enough to consider what's true and real and always try to understand the way other people feel.

And be less quick to anger, and show appreciation more.

And Love the people in our lives like we never loved before. If we treat each other with respect and more often wear a smile Remembering that this special Dash might only last a little while.

So when your eulogy's being read with your life actions to rehash...

Would you be proud of the things they say about how you spent your Dash.

### THANK YOU!
