## THANK YOU

I don't know how to thank this community enough for all the love and support you have given me throughout this painful and sad time. I am blessed to have so many people care for me. Having Charlene, Tara and myself in your prayers, your kindness, support and love has been overwhelming. I will never forget how you have all come together to help me. I would also like to thank all of my family, without their love I probably wouldn't have the strength to even get out of bed. Their help has meant so much to me. Thank all of you, the community, my family, everyone from the bottom of my heart. God Bless.

-Sincerely Andrea Jacques.

### MEN - PAY ATTENTION.

**WOMEN - YOUT'L UNDERSTAND PERFECTLY...**  
1. **NAMES** - If Laurie, Linda, Elizabeth and Barbara go out for lunch, they will call each other Laurie, Linda, Elizabeth and Barbara. If Mark, Chris, Eric and Tom go out, they will affectionately refer to each other as Fat Boy, Godzila, Peanut-Head and Scrappy.  
2. **EATING OUT** - When the bill arrives, Mark, Chris, Eric and Tom will each throw in \$20, even though it's only for \$32.50. None of them will have anything smaller and none will actually admit they want change back. When the girls get their bill, out come the pocket calculators.  
3. **MONEY** - A man will pay \$2 for a \$1 item he needs. A woman will pay \$1 for a \$2 item that she doesn't need but it's on sale.  
4. **BATHROOMS** - A man has five items in his bathroom: a toothbrush, shaving cream, razor, a bar of soap, and a towel from the Marriott. The average number of items in the typical woman's bathroom is 337. A man would not be able to identify most of these items.  
5. **ARGUMENTS** - A woman has the last word in any argument. Anything a man says after that is the beginning of a new argument.  
6. **CATS** - Women love cats. Men say they love cats, but when women aren't looking, men kick cats.  
7. **FUTURE** - A woman worries about the future until she gets a husband. A man never worries about the future until he gets a wife.  
8. **SUCCESS** - A successful man is one who makes more money than his wife can spend. A successful woman is one who can find such a man.  
9. **MARRIAGE** - A woman marries a man expecting he will change, but he doesn't. A man marries a woman expecting that she won't change and she does.  
10. **DRESSING UP** - A woman will dress up to go shopping, water the plants, empty the garbage, answer the phone, read a book, and get the mail. A man will dress up for weddings and funerals.  
11. **NATURAL** - Men wake up as good-looking as they went to bed. Women somehow deteriorate during the night.  
12. **OFFSPRING** - Ah, children. A woman knows all about her children. She knows about dentist appointments and romances, best friends, favorite foods, secret fears and hopes and dreams. A man is vaguely aware of some short people living in the house.  
13. **THOUGHT FOR THE DAY** - Any married man should forget his mistakes. There's no use in two people remembering the same thing.

### JOKE OF THE WEEK

A blonde buys a Coffee at Tim Horton's. So she rolls up the rim and starts screaming, "I've won a motorhome! I've won a motorhome!" The waitress says, "That's impossible. The biggest prize is a GMC Envoy." But the blonde keeps on screaming, "I've won a motorhome! I've won a motorhome!" Finally, the manager comes over and says, "Ma'am, I'm sorry, but you're mistaken. You couldn't have possibly won a motorhome because we didn't have that as a prize!" The blonde says, "No, it's not a mistake. I've won a motorhome!" She hands the ticket to the manager and he reads "W I N A B A G E L I".
