CHILD LOGIC

The Mommy Test - A lady was out walking with her 4 year old daughter. The daughter picked up something off the ground and started to put it in her mouth. The mom asked her not to do that. "Why?" She asked. "Because it's been laying outside and it is dirty and probably has germs." At this point, the daughter looked at her mom with total admiration and asked, "Wow! How do you know all this stuff?" "Umm," The mom was thinking quickly, "...all moms know this stuff...It's on the Mommy Test. You have to know it, or they don't let you be a Mommy." They walked along in silence for 2 or 3 minutes, but the daughter was evidently pondering this new information. "OH...I get it!" she beamed, "So if you flunk, you have to be the Daddy."
