RAMP RAGES GANGED

Due to a poor turn out at the previously held work bee on August 6th, and a general lack of volunteers coming forward during the construction phases, the ramp races are hereby cancelled. All donated materials and prizes will be returned to the donors. The business community has been very supportive of this venture and I thank them very much for their contributions and support. I feel bad for the children that were looking forward to these and many other races and events that were to happen as a result of the forming of a society. A society can not function with a handful of adults doing all the work. It takes a combined effort of several volunteers and it seems that everyone is too busy to be able to provide that required time. All future prospective races and events that I was planning on partaking in are now cancelled and I will be concentrating on my own projects and hobbies. A few people have now come out of the wood work now to offer assistance but it is too little too late as I have used up too much of my time and resources already. The ramp will be set up on private property and used by those that actually assisted to get it to the point that it is now. The cars will be converted to go-cart / mini-dune buggies and again, used by those that assisted with trying to make these races happen. I would like to thank the following people for attending the work bee held Saturday, August 6th...: Ed Cobb, Derek Cobb, Gary Cobb, Steven Smith and Calvin Blangy. I would also like to thank McBride Husky for the donated paint and the Elks/Royal Purple for the use of the power.

MAX & SARAH'S WEDDING

Max Nunn and Sarah Griffiths would like to extend an invitation to all those in the communities of McBride and Dunster who would like to attend their wedding ceremony on August 20, 2005. The ceremony will be at 3:00pm in Koenehan Park, weather permitting. The alternate venue will be the Dunster Community Hall. We would love to see you there, so bring a lawn chair and join us.
