## ROUNDHOUSE

Cindy Church is one of the artists requested most for the Roundhouse. The reason is simple. She is a terrific singer. Originally from Bible Hill, Nova Scotia, Cindy spent 20 years in Western Canada (mostly Alberta) before moving to Toronto. Along the way, she perfected her sound and intimate, close-to-your-ear voice, which has a warmth and tone that demands attention. Whether it's old-style country, swing jazz, blues, rockabilly or pop, Cindy mixes musical genres with ease. This is your chance to see her at the Roundhouse, Sunday, January 15th 8:00 p.m. - \$20.00. Tickets available at Stedmans.

**WHY SHOP LOCAL**

After risking roads and weather, finally finding a parking spot, you dash through the store, credit card in hand, only to wait in a long line-up. Sorry, no boxes today. Wrong size - see customer service, another long line-up.

Avoid the crush, the crowds, the moose. Be greeted with a smile for the purchase or the return. Shop friendly, shop local, know that you are supporting local business.

**QUOTES**

\*Better a diamond with a flaw than a pebble without.

\*Everything has its beauty but not everyone sees it.

\*In all things, success depends upon previous preparation, and without such preparation there is sure to be failure.

\*Learning without thought is labour lost; thought without learning is perilous.

\*For one word a man is often deemed to be wise, and for one word he is often deemed to be foolish. We should be careful indeed what we say.

\*Men's natures are alike; it is their habits that carry them far apart.

\*Study the past if you want to divine the future.

\*They must often change who would be constant in happiness or wisdom.

\*True goodness springs from a man's own heart. All men are born good.

-*Confucius (c.550-c.478 B.C.)*

\*A man sits with a pretty girl for an hour, it seems like a minute. He sits on a hot stove for a minute, it's longer than any hour. That is relativity.

\*As far as the laws of mathematics refer to reality, they are not certain; and as far as they are certain, they do not refer to reality.

\*Common sense is a collection of prejudices acquired by the age eighteen.

**WISDOM TEETH**

•Imagination is more important than knowledge. -Albert Einstein

One day a man walks into a dentist's office and asks how much it will cost to extract wisdom teeth. "Eighty dollars," the dentist says. "That's a ridiculous amount," the man says. "Isn't there a cheaper way?" "Well," the dentist says, "If you don't use an anaesthetic, I can knock it down to \$60." "That's still too expensive," the man says. "Okay," says the dentist. "If I save on anaesthesia and simply rip the teeth out with a pair of pliers, I could get away with charging \$20." "Nope," means the man, "it's still too much." "Hm," says the dentist, scratching his head. "If I let one of my students do it for the experience, I suppose I could charge you just \$10." "Marvellous," says the man, "book my wife for next Tuesday!"
