Serving BC's Friendliest Town and Area!

For the week of Wed., July 12th, 2006

IN LOVING MEMORY

Edna Mavis Russell (nee MacLachlan)

August 31, 1937 - July 7, 2006

It is with great sadness that we announce the passing of our beloved mother, grandmother and great-grandmother Edna Russell on July 7, 2006. Edna will be forever missed by her family. She is survived by her children Marni (Phil), James, Cindy (Gindo), Duane (Lynda), Kimberly (Chris), and Patricia, as well as her grandchildren Tabitha (Simon), Meghan, Torri Kristopher, Hunter, Jewel, William and Madelyn, and great-grandson Austin. Her passing will be mourned by her many friends from McBride, Kamloops, and Edmonton areas. Edna was born August 31, 1937 in New Westminster B.C., and raised in McBride B.C. She married Norman Jack Russell on December 26, 1956. Edna loved her family and was continually recounting tales of the grandchildren and of her youth. She enjoyed talking with friends and having visits over coffee and cards. Edna was a very talented lady with many hobbies. She loved painting, spending time outdoors, walking, playing her piano/organ, working in the garden, baking and cooking. Mom, or Nan as everyone knew her by, was always there for everyone who needed her. She always opened her door to anyone and enjoyed entertaining and feeding visitors. We would like to extend special thanks to the Doctors, Nurses and staff at the McBride and District Hospital and the Prince George Regional Hospital for all of their support and caring for Mom in her last days. A Celebration of her life will be held at the Anglican United Church, located at 441 Dominion Street, McBride B.C., on Sunday, July 16, 2006 at 3:00 p.m. In lieu of flowers, donations can be made to The Heart and Stroke Foundation or The Children's Hospital. Final arrangements are being entrusted to Fraser View Funeral Home of Prince George, B.C.

CONGRATULATIONS!!!

Congratulations to Kendra Lipke on the birth of her bouncing baby boy Colter, born July 3rd, 2006, 8 lbs. 2 oz., 22 inches. A Babyshower will be held July 16th at 4p.m. at the 7th Day Adventist Church. Please Bring Snacks. For more information phone Sabrea at 569-2320.

HEALTH UNIT

West Nile Virus Surveillance in the North: There has been speculation over the past few years that the West Nile virus (WNV) may arrive in British Columbia, but as the summer of 2006 rolls into Prince George and the rest of the province, to date, no cases have been reported. Therefore the intention of Northern Health's 2006 WNV Surveillance Program is simply to reduce the risk and monitor the very small possibility of the virus occurring in our northern community. BC's north is classified as a low risk zone compared to the rest of the province.

WNV is a bird-borne infection that can be transmitted to humans by some species of mosquitoes that take blood meals from infected birds and then feed on humans. The possibility of getting severely ill from a WNV infection is small; among the people who contract the virus only 1-2 per cent will develop severe symptoms. People with weakened immune systems are more at risk to a severe infection.

To reduce the risk of WNV, simply avoid mosquitoes as much as possible. For instance, wear long-sleeved/light coloured clothing, use mosquito repellent when in mosquito country and remove standing water around the home.

To assist Northern Health in its WNV Surveillance Program please report dead corvids (crows, ravens, magpies and jays) to your local Public Health Protection Office (in Prince George, call 565-2150) or fill out an on-line dead bird sighting report on the BC Centre for Disease Control website at www.bccdc.org.

Written by Blake Blok, WNV Coordinator Public Health Protection, Northern Health.
