Gowboy Boots

Anyone who has ever dressed a child will love this one! Did you hear about the Texas teacher who was helping one of her kindergarten students put on his cowboy boots?

He asked for help & she could see why. Even with her pulling and him pushing, the little boots still didn't want to go on. Finally, when the 2nd boot was on, she had worked up a sweat.

She almost cried when the little boy said, "Teacher, they're on the wrong feet." She looked and sure enough, they were. It wasn't any easier pulling the boots off than it was putting them on. She managed to keep her cool as together they worked to get the boots back on, this time on the right feet.

He then announced, "These aren't my boots."

She bit her tongue rather than get right in his face and scream, "Why didn't you say so?" Like she wanted to. And, once again she struggled to help him pull the ill-fitting boots off his little feet. No sooner they got the boots off and he said, "They're my brother's boots. My Mom made me wear 'em."

Now she didn't know if she should laugh or cry. But, she mustered up the grace and courage she had left to wrestle the boots on his feet again.

Helping him into his coat, she asked, "Now, where are your mittens?"

He said, "I stuffed 'em in the toes of my boots."

Her trial starts next month.

Wise Woman

When I was married 25 years, I took a look at my wife one day and said, "Honey, 25 years ago we had a cheap apartment, a cheap car, slept on a sofa bed and watched a 10-inch black and white TV, but I got to sleep every night with a hot 25-year-old blonde. Now we have a nice house, nice car, big bed and plasma screen TV, but I'm sleeping with a 50-year-old woman. It seems to me that you are not holding up your side of things." My wife is a very reasonable woman. She told me to go out and find a hot 25-year-old blonde, and she would make sure that I would once again be living in a cheap apartment, driving a cheap car, sleeping on a sofa bed and watching a 10-inch black and white TV." Aren't older women great? They really know how to solve your mid-life crises.
