**POLICE REPORT**

On March 7th, 2007 RCMP in Jasper, Alberta were made aware of a possible stolen vehicle heading their way from Valermount, B.C. The vehicle, a Blue Chevrolet Blazer, had been stolen from where it had been parked near Beaver River, BC earlier that morning. In the area of Teic Jaune Cache, BC the vehicle ran out of gas and the two male occupants approached a resident explaining that they were on their way to Jasper and offered to give them tools in exchange for some gas. The resident refused to take tools as payment but did supply the pair with enough gas to get to Jasper, Alberta. The residents finding the situation suspicious called the RCMP. At 10:45 the vehicle was observed in the town of Jasper, Alberta. An attempt by police to stop the vehicle led to a foot chase. The two male suspects were however apprehended on the Trail System behind the Co-op Housing in Jasper. Christopher MOORE (25) of Calgary, Alberta was charged with Possession of Stolen Property and Fleeing from the Police. Ramond JACOBSON (25) of Calgary, Alberta was also charged with possession of stolen property. Both individuals are considered High Risk Offenders with lengthy Criminal backgrounds, including violence and robbery with a weapon. MOORE was presently on Parole from the Drumheller Institution. The owner of the stolen vehicle was unaware that the vehicle had been stolen as he was at work at the time. Had it not been for the keen observation of the Teic Jaune Cache residents and their willingness to "get involved", the two offenders would have likely made it back to Calgary before anyone even knew the vehicle had been stolen. The tools that the resident was offered were also later determined to have been stolen.

**THANK YOU**

The players, parents, and coaches of the McBride Pee-Wee Hockey  
Team would like to take this opportunity to thank the community of  
McBride for the overwhelming support shown to us during this past  
season. This weekend the Pee-Wee Team will travel to Edmonton to  
watch an NHL hockey game. Many of the players on the team have  
never had a chance to take in a professional hockey game and this  
will be an amazing experience for all of them. This opportunity can  
only exist with the generous support shown by the community for  
the fundraising activities undertaken over the last few months.  
Thanks for all your support.
