ADOPT A FIRE HYDRANT!!

The Whistle Stop Gallery is excited to offer to the businesses and residents of McBride and area the opportunity to "Adopt a Fire Hydrant!!" A number of years ago, the hydrants were painted into various characters and animals but time has eroded them away. The plan is to hire an artist/s to bring the hydrants "back to life" in the form of firemen, paramedics, police, dalmations, train engineers, etc!! I'm not sure if the hydrants are large enough in the middle to accommodate school bus drivers or some realtors!! The Village of McBride, the fire department and the Whistle Stop Gallery have kick-started the project with some funding and the rest is to be raised by "adoption!!" For \$50 bucks you can adopt a hydrant unless you want a certain Main Street Hydrant for \$100. If you are a resident wanting to adopt a hydrant near your home they are just \$50. For everyone else wanting to support this project your name will be "pulled from a hat" and matched randomly with the remaining hydrants. Your name along with the year (2007) will be painted on the hydrant so you can introduce your new "family member" to your friends while out for a stroll!! There are a limited number of hydrants in the town so hurry and call the Gallery @ 569-8891 or me, Darrell Roth @ 569-2377 to adopt yours now!! If they are not all gone quickly, I'll be calling on you... and things could get messy!! Tax deductible receipts available! Robson Valley Arts & Culture Council.
