McBRIDE HEALTH UNIT

Guidelines For Using Repellents With DEET:

- (Infants less than six months of age) Do not use any repellents that contain DEET. Infants should be protected with mosquito netting tucked over the baby carriers.
- (Children 6 months to 2 years of age) When you live or travel in an area at high risk of complications from mosquito-borne illnesses, one application per day of insect repellent containing DEET may be considered. Use an insect repellent with 10 per cent or less DEET. The protection will last about 2-3 hours.
- (Children 2 to 12 years of age) Use an insect repellent with 10 per cent or less DEET. Do not apply more than three times per day. The protection will last about 2-3 hours.
- (Adults and children older than 12 years) Use an insect repellent containing 30 per cent or less DEET.
- Concentration of DEET / Protection Time: 30% - 6 hours, 15% - 5 hours, 10% - 3 hours, 5% - 2 hours. *Avoid breathing is spray mists and never apply sprays or aerosol products inside a tent, house or near food. Use only in well-ventilated areas. *Wash treated skin with soap and water when you return indoors or when protection is no longer needed. *When using sunscreen, apply it first, wait thirty minutes, and then apply the DEET repellent. ***Non-DEET Repellents: There are effective insect repellents registered in Canada that contains active ingredients other than DEET. These include repellents with p-menthane-3, 8-diol (PMD), also known as lemon-eucalyptus oil. This product has been shown to be as effective as DEET, but protects against mosquitoes only for about 2 hours. Lemon-eucalyptus oil should not be used on children less than three years old. It should not be applied more than twice a day. / Soybean oil products are also effective mosquito repellents, but these are not widely available in Canada. Products with the substance picaridin are also effective, but these are not available in Canada. For a complete list of registered products, visit the Health Canada Pest management Regulatory Agency Web site at www.pmrta-arla.gc.ca/

FALL FAIR NEWS

Priorities have been focused on the McBride 75th Anniversary Celebration for this year. As such we will be having our regular Robson Valley Fall Fair again in 2008. The Fall Fair members will be doing the following activities on the Sunday of the 75th Celebration; Pedal Tractor Races, Blindfolded Lawn Tractor Races, Bee Display, Pet Show, Small Animal Show, Cheryl Sansom Memorial Award (get your nominations in to Box 21, McBride now). Please show up early for the Tractor Races to register. **One of the Biggest parts** of the Fall Fair is the Cheryl Sansom Memorial Trophy: Each year at the Robson Valley Fall Fair, we award a trophy of our friend and long time member of the Fall Fair Association, Cheryl Sansom. The Criteria are Citizenship & Community Service. Do you know anyone who, like Cheryl, made this Valley a better place to live? She always had a cheerful word, and was very involved in the Fall Fair, Minor Hockey, Ball, School, events and other organizations. She made our valley a more enjoyable and diversified place to be. If you know anybody like this that you would like to nominate, send a written submission listing this person's attributes by July 31 to Box 21, McBride. This years winner will be presented to the person at the McBride Station on August 5th following the presentation of the Painting.
