## JORES

### Pro Challenge Joke

The pro at the country club was nude. When he beat you on the golf course he not only took your money he then told you everything you did wrong and suggested that you would never be able to hit the ball out of your own shadow.  
 One of the members had enough. So he bought a gorilla and trained it to play golf.

He then set up a game with the pro. \$1000 to the winner. The day of the match arrived and all parties were ready. The first hole was a par five of 575 yards. The pro teed off splitting the fairway some 270 yards out.

The gorilla lumbered up to the tee, placed the ball on the ground, and made a mighty swing. The ball rocketed off the clubhouse 100, 200, 300, 400, 500, 575 yards and stopped 5 inches from the cup. The pro just about wet his pants. If this was an indication of the way things were going to go then he would never live it down. He put down his clubs and immediately settled the bet, remembering that he had urgent business across town.

As they walked from the tee the pro asked, "How does he put?" The challenger answered, "Oh about the same as he drives, around 575 yards."

### They Have Got Mom Joke

My mother was away all weekend at a business conference. During a break, she decided to call home collect.

My six-year-old brother picked up the phone and heard a stranger's voice say, "We have a Marcia on the line. Will you accept the charges?"

Francis, he dropped the receiver and came charging outside screaming, "Dad! They've got Mom! And they want money!"

### I am So Tough Joke

Three little boys were bragging about how tough they were. "I'm so tough", said the first boy, "that I can wear out a pair of shoes in a week".

"Well", said the second little boy, "I'm so tough, I can wear out a pair of jeans in a day".

"That's nothing", said the third boy. "When my parents take me to see my grandma and grandpa, I can wear them out in an hour".
