Welcome to 2008

OVER 40 ALPHABET

As for arthritis,
B's the bad back.
C's the chest pains - perhaps car-d-i-ac?
D is for dental decay and decline,
E is for eyesight, can't read that top line!
F is for fissures and fluid retention,
G is for gas which I'd rather not mention.
H is high blood pressure - I'd rather it low;
I is for incisions with scars you can show...
J is for joints, out of socket, won't mend,
K is for knees that crack when they bend.
L is for libido, what happened to sex?
M is for memory, I forget what comes next.
N is neuralgia, in nerves way down low;
O is for osteo, the bones that don't grow!
P is for prescriptions, I have quite a few, just give me a pill and I'll be good as new!

Q is for queasy, is it fatal or flu?
R is for reflux, one meal turns to two.
S is for sleepless nights, counting my fears,
T is for Tinnitus - there's bells in my ears!
U is for urinary... big troubles with flow;
V is for vertigo, that's "dizzy," you know.
W is for worry - NOW what's going 'round?
X is for X ray, and what might be found.
Y is another year I'm left here behind,
Z is for zest that I still have - in my mind.
I've survived all the symptoms, my body's deployed, and I am keeping twenty-six doctors fully employed!

ARE YOU A GRINCH

You reuse last year's Christmas cards and send them out under your own name (5 points).
You steal light bulbs from you neighbour's outdoor display to replenish your own supply (5 points, 10 if neighbour's whole light sets or lighted Santa goes out).
You have dressed a dog or cat as Santa Claus, elf helper, or reindeer (10 points for each; if you dressed an endangered species, 5 extra points).
You put out last year's stale candy canes for children (1 point for each piece of sticky candy). If you put out a chocolate or marzipan Santa also, add 10 points.
You enclose a shoddy and inferior gift from Target, Wal-Mart, or Kmart in a Bloomingdale's or other prestige box to impress your friends (5 points for each infraction).
You make collect long distance phone calls to your family on Christmas day (5 points, 10 if from a cell phone), claiming you are stuck in a phone booth.
At the office Christmas party, you hoard huge stockpiles of goodies for later consumption at home (5 points; 15 points if you use this stuff for your own party).
You steal the wreath from a parked car to use on your own (5 points).
After an invitation to a friend's house, you bring a commercially produced fruitcake and try to pass it off as home made (5 points; 15 points if the fruitcake is from last year).
Any stealing from the Toys-for-Tots collection bins is a definite no-no (20 points).
Evaluate your score on the "Grinch Scale" from 20 to 100.
20-30: You are just a cheeseball.
30-50: You are an apprentice in Yuletide larceny and are probably wanted by the police for overdue parking tickets.
50-100: Grinch, move over. The Meyer Lansky of Christmas crime has arrived.

EMPLOYEE LOGIC

A boss tells his new employee, "I'll give you 8 bucks an hour starting today and in three months, I'll raise it to 10 bucks an hour. So when would you like to start?"
"In 3 months."
