October 5, 2008 Johnny Reid - Country superstar Johnny Reid returns to the Roundhouse for his Tearing It Up and Braking It Down Tour. If Johnny Reid's music defies easy definition it's because the stories he tells have more than their fair share of miles on them. From Scotland, to Canada, to Nashville, the grounds he's covered lends a depth of soul to his songs that sets them apart. Country Music fan or not, you'll love Johnny Reid. Tickets \$35.00,

October 28, 2008 - The Wilkinsons - From the 1998 release of their first album, Nothing But Love, which launched them to success with the single "26 Cents", through to Home's 2007 release, The Wilkinsons have established themselves as one of the premiere artists in Canadian Country Music. They have had number one songs on country radio both in Canada and the U.S. Their television show's second season chronicles the recording of Home, and amidst settling into the family's newly built home.
