SPRUGE KINGS NEWS

Spruce Kings New Assistant Coach

PRINCE GEORGE, BC - The Prince George Spruce Kings Junior 'A' Hockey Club of the British Columbia Hockey League (BCHL) are extremely excited to announce the hiring of Bayne Koen as the team's new assistant coach.

Bayne is 35 years old and hails from Surrey, BC. He was the head coach of the Port Moody Black Panthers Junior B team of the Pacific International Junior Hockey League for the past five seasons. His extensive hockey experience includes studying sports management and a major in physical education from Bemidji State University in Bemidji, Minnesota.

"I'm very excited to be coming to Prince George," said Koen. "I've been waiting for something like this for a long time. Getting the opportunity to move up and prove yourself is something every coach wants to do."

JUST CAN'T WIN

One evening a man drove his secretary home after she had worked late at the office and wasn't feeling well enough to drive herself. Although this was an innocent gesture, he decided not to mention it to his wife, who tended to get jealous easily.

Later that night the man and his wife were driving to a restaurant. Suddenly he looked down and spotted a high-heeled shoe half hidden under the passenger seat.

Not wanting to be conspicuous, he waited until his wife was looking out her window before he scooped up the shoe and tossed it out of the car. With a sigh of relief, he pulled into the restaurant parking lot.

That's when he noticed his wife squirming around in her seat. "Honey," she asked, "have you seen my other shoe?"

The McBRIDE ROUNDHOUSE THEATRE

September 12, 2008 - Serious Moonlight Productions Present **Vincent - A Play by Leonard Nimoy**. The story of Vincent Van Gogh, as told by his brother Theo. Beautiful and tragic, this is a production that will stay with you. Don't miss Vincent.

October 5, 2008 Johnny Reid - Country superstar Johnny Reid returns to the Roundhouse for his Tearing It Up and Braking It Down Tour. If Johnny Reid's music defies easy definition it's because the stories he tells have more than their fair share of miles on them. From Scotland, to Canada, to Nashville, the grounds he's covered lends a depth of soul to his songs that sets them apart. Country Music fan or not, you'll love Johnny Reid.

October 28, 2008 - The Wilkinsons - From the 1998 release of their first album, Nothing But Love, which launched them to success with the single "26 Cents", through to Home's 2007 release, The Wilkinsons have established themselves as one of the premiere artists in Canadian Country Music. They have had number one songs on country radio both in Canada and the U.S. Their television show's second season chronicles the recording of Home, and amidst settling into the family's newly built home.

JORGE OF THE WEEK

Two would-be fishermen rented a boat, and one caught a large fish.

"We should mark the spot," he said. The other man drew a large X in the bottom of the boat with a black marker.

"That's no good," said the first man. "Next time out we may not get the same boat."
