JOKE OF THE WEEK

The Obedient Wife - There was a man who had worked all his life, had saved all of his money, and was a real 'miser' when it came to his money. Just before he died, he said to his wife..."When I die, I want you to take all my money and put it in the casket with me. I want to take my money to the afterlife with me." And so he got his wife to promise him, with all of her heart, that when he died, she would put all of the money into the casket with him. Well, he died. He was stretched out in the casket, his wife was sitting there - dressed in black, and her friend was sitting next to her. When they finished the ceremony, and just before the undertakers got ready to close the casket, the wife said, 'Wait just a moment!' She had a small metal box with her; she came over with the box and put it in the casket. Then the undertakers locked the casket down and they rolled it away.

So her friend said, 'Girl, I know you were not fool enough to put all that money in there with your husband!'

The loyal wife replied, 'Listen, I cannot go back on my word. I promised him that I was going to put that money into the casket with him.'

'You mean to tell me you put that money in the casket with him!?!?!?'

'I sure did,' said the wife. 'I got it all together, put it into my account, and wrote him a check... If he can cash it, then he can spend it.'

USA Investment Tips for 2008

With all the turmoil in the market today and the collapse of Lehman Bros. and Acquisition of Merrill Lynch by Bank of America this might be some good advice. For all of you with any money left, be aware of the next expected mergers so that you can get in on the ground floor and make some BIG bucks.

Watch for these consolidations later on this year:

- 1) Hale Business Systems, Mary Kay Cosmetics, Fuller Brush, and W R. Grace Co. will merge and become: Hale, Mary, Fuller, Grace.
- 2) Polygram Records, Warner Bros., and Zesta Crackers join forces and become: Poly, Warner Cracker.
- 3) 3M will merge with Goodyear and become: MMMGood.
- 4) Zippo Manufacturing, Audi Motors, DoFasco, and Dakota Mining will merge and become: ZipAudiDoDa.
- 5) FedEx is expected to join its competitor, UPS, and become: FedUP.
- 6) Fairchild Electronics and Honeywell Computers will become: Fairwell Honeychild.
- 7) Grey Poupon and Docker Pants are expected to become: PouponPants.
- 8) Knotts Berry Farm and the National Organization of Women will become: Knott NOW!
