SCHOOL NEWS

The McBride Secondary drama classes present a theatre double header on Thursday, May 28th and Friday, May 29th at the Roundhouse Theatre. The first play will be at 7:00 PM at the Roundhouse Theatre. *Antigone Now*, written by Melissa Cooper, is a modern reworking of the classic Sophocles masterpiece. This one act play describes the tragic story of a city impacted by war and strife under the reign of its new ruler, who demonstrates that people will do anything for power. Performers include Bryan Beer, Mariah Blixrud, Matt Cousineau, Gemma Jaques, Jordan Neal, Kaitlyn Scheiber, Allana Starlund, Brandon Vizza, and Alysse Weedmark. The second feature of the night is a charming, cheeky comedy titled *Family Planning*, written by Frank Vickory. This hysterical play details the life of a young girl named Tracy and her boyfriend Bobby, who must find a way to tell Tracy's parents about her unexpected pregnancy. Full of funny and charming characters with a sudden twist ending, this play is not to be missed by anyone who wants a laughable night. Performers include Ellise Bressette, Megan Harstad, Jordan Neil, Troy Quam, Logan Rousset, Talon Strong, and Laura Thompson. Both plays are directed by drama teacher Ingrid Stengler.

THOUGHTS OF THE WEEK

Why is it that people say they "slept like a baby" when babies wake up like every two hours?
Why do people pay to go up tall buildings and then put money in binoculars to look at things on the ground?
Why do toasters always have a setting that burns the toast to a horrible crisp, which no decent human being would eat?

VILLAGE OF MCBRIDE

NOTICE

During the next several months the Village of McBride will be issuing tenders for infrastructure upgrades. As some of these projects require specialized equipment and experience the Village anticipates mostly non-local contractors to bid on the work. The Village, however, will be encouraging bidders to utilize as much local labour and resources for the projects as possible.

The Village of McBride will be compiling a list that will include heavy equipment, loaders, excavators, packers, dump trucks, labour, equipment operators, pipe layers, labourers, plumbers, electricians, etc.

Anyone interested in having their information recorded on this list will need to submit their list of equipment/qualifications/resumes and contact information prior to June 9, 2009.

Information can be submitted to the McBride Village Office at the following address:

Village of McBride
100 Robson Centre - 855 SW Frontage Road
Box 519, McBride, B.C., V0J 2E0

Fax: (250)569-3276 Email: mcbride@mcbride.ca

ALARM TIP

PUT YOUR CAR KEYS BESIDE YOUR BED AT NIGHT

Tell your spouse, your children, your neighbors, your parents your doctor's office, the check-out girl at the market, everyone you run across.

Put your car keys beside your bed at night. If you hear a noise outside your home or someone trying to get in your house, just press the panic button for your car. The alarm will be set off, and the horn will continue to sound until either you turn it off or the car battery dies.

This tip came from a neighborhood watch coordinator. Next time you come home for the night and you start to put your keys away, think of this:

It's a security alarm system that you probably already have and requires no installation. Test it. It will go off from most everywhere inside your house and will keep honking until your battery runs down or until you reset it with the button on the key fob chain. It works if you park in your driveway or garage. If your car alarm goes off when someone is trying to break into your house, odds are the burglar rapist won't stick around... After a few seconds all the neighbors will be looking out their windows to see who is out there and sure enough the criminal won't want that. And remember to carry your keys while walking to your car in a parking lot. The alarm can work the same way there. This is something that should really be shared with everyone. Maybe it could save a life or a sexual abuse crime.
