VILLAGGE OF MGBRIDE - NOTICE

Recently, the Village of McBride has been receiving complaints in regards to dust on Second Avenue (Main Street to Dominion Street). The following is some information for the concerned residents and the community of McBride. Calcium Chloride has been ordered and applied to this section of Second Avenue to keep the dust down. We are in the process of having the contracts being compiled for tender and we hope to have this section completed soon. Please keep in mind that this section will be paved as soon as possible and completion timelines are dependent on the availability of pavement plants and paving crews.

In the meantime, to assist in reducing the dust, we would like to encourage commuters to avoid using the section of Second Avenue from Main Street to Dominion Street and to take alternate routes to access their destinations. We appreciate everyone's patience and understanding during these construction phases and we hope that the completed project will be worth the wait and the inconveniences that some people have had to endure.

McBRIDE YOUTH SOCCER

McBride Youth Soccer Newsletter / Dear Parents, Thank You for bringing your kids out to soccer this year! I am starting to organize for the end-of-season wind-up (Date TBA). It has been brought to my attention that the grade 11's would possibly like to do a fund-raiser BBQ/bake sale for our party. Treats on me! I am hoping to have the BBQ on the 18 of June...but this may change.

For weather concerns... if the weather is really terrible (i.e. pouring rain, too windy, lightning) soccer practices will be cancelled. We will try our best to make sure the school is informed and that an announcement is made.

I would like to send out a very important and special thank-you to **Carrie Krenzler** for her willingness to help out and take on coaching the 11-14 year-olds at a last minute cry for help. I owe you. As well as a special thank-you to **Sara Olofsson** for her help with the younger kids in a desperate time. I am so thankful to the both of you and to ALL of the parents and coaches for helping out this year (with almost double the number of kids - wow!). It could not be done without you! Thank You so much, and please bear with me!

KIDS LOVE TIPS

-Julie Monroe - PS - Shirts have been ordered!

WHEN IS IT OKAY TO KISS SOMEONE?

"You should never kiss a girl unless you have enough bucks to buy her a big ring and her own VCR, cause she'll want to have videos of the wedding." (Jim, 10)

WHY LOVE HAPPENS BETWEEN TWO PARTICULAR PEOPLE:

"No one is sure why it happens, but I heard it has something to do with how you smell. That's why perfume and deodorant are so popular." (Jan, 9)

## VILLAGE OF MCBRIDE NOTICE

During the next several months the Village of McBride will be issuing tenders for infrastructure upgrades. As some of these projects require specialized equipment and experience the Village anticipates mostly non-local contractors to bid on the work. The Village, however, will be encouraging bidders to utilize as much local labour and resources for the projects as possible.

The Village of McBride will be compiling a list that will include heavy equipment, loaders, excavators, packers, dump trucks, labour, equipment operators, pipe layers, labourers, plumbers, electricians, etc.

Anyone interested in having their information recorded on this list will need to submit their list of equipment/qualifications/resumes and contact information prior to June 9, 2009.

Information can be submitted to the McBride Village Office at the following address:
