SCHOOL NEWS

McBride Secondary **MOVIE NITE!** On Friday, November 6th McBride Secondary will be hosting movie night with **HARRY POTTER AND THE HALF-BLOOD PRINCE** at 4:30. The 7:30 movie will be the new **STAR TREK!** Proceeds for this movie night will go towards our school's participation in Operation Christmas Child.

The long awaited Harry Potter movie is now out! A now, much more mature Harry Potter starts his 6th year at Hogwarts School of Witchcraft and Wizardry. It's never an easy task for him to make it to school and this film is no exception. With the help of a good friend he makes it back and once there discovers an old book mysteriously marked "This book is the property of the Half-Blood Prince" in the new teacher, Horace Slughorn's class. With the help of Dumbledore, Harry begins to learn more about Lord Voldemort's dark past. Meanwhile, everyone in the school appears to be hormone crazy and Harry, Hermione, and Ron all deal with their own versions of love. The Harry Potter movie is 153 minutes long. **Star Trek** has received rave reviews. The greatest adventure of all time begins with Star Trek, the incredible story of a young crew's maiden voyage on board the most advanced starship ever created: the U.S.S. Enterprise. On a journey filled with action, comedy and cosmic peril, the new recruits must find a way to stop an evil being whose mission of vengeance threatens all of mankind. The fate of the galaxy rests in the hands of bitter rivals: One, James T. Kirk (Chris Pine), is a delinquent, thrill-seeking lowa farm boy. The other, Spock (Zachary Quinto), was raised in a logic-based society that rejects all emotion. As fiery instinct clashes with calm reason, their unlikely but powerful partnership is the only thing capable of leading their crew through unimaginable danger, boldly going where no one has gone before! Star Trek is 126 minutes long and starts at 7:30 pm.
