## HOW TO TELL TIME...

While proudly showing off his new apartment to friends, a college student led the way into the den.  
"What is the big brass gong and hammer for?"  
one of his friends asked.  
"That is the talking clock," the man replied.  
"How's it work?"

"Watch," the man said and proceeded to give the gong an ear shattering pound with the hammer.  
Suddenly, someone screamed from the other side of the wall.  
"Knock it off, you idiot! It's two o'clock in the morning!"

# Sasha Lewis for Lilith Fair

Announcement..... I am competing for a spot on the 2010 "Lilith Fair" tour. I've been placed in the "lilith local talent search: Vancouver channel" If you would like to support me in this dream of mine please consider a bit of your time to vote for me. May 1'st voting begins and is open to the fans. This involves registering at [www.ourstage.com/](http://www.ourstage.com/) and become a fan then you can vote. The song to look for is "Your Safe Hands" by Sasha Lewis on the "Lilith local talent search: Vancouver channel". If you like what you hear please spread the word. More announcements coming as it all unfolds, but until then get ready to vote!

More info on how the voting and selection for emerging artist is chosen:  
From Lilith Fair Press-

"Beginning May 1, voting will open to the "fans" to narrow down the large number of entries to the Top 20 in each city. There will be two rounds of voting that follow: Quarter Finals (Top 10) and Semi-finals (Top 3). At this point, the public voting closes and Lilith co-founder and main stage headliner Sarah McLachlan, along with co-founders Terry McBride, Marty Diamond and Dan Fraser, in partnership with Kristin Bredimus, music expert from OurStage.com, will determine who the final winner is for each city. The local winners will be added to the already impressive and eclectic list of artists confirmed, like Mary J. Blige, Loretta Lynn, Norah Jones, Heart, Metric, Jill Scott, Cat Power and many more."
