**JOKE OF THE WEEK**

This is why I didn't show up for work yesterday. I was cleaning out my wife's grandpa's cellar and found 12 bottles of his home bottled grape wine under the steps. My wife told me to empty the contents of each and every bottle down the sink, or else. I agreed to do the unpleasant task.

I withdrew the cork from the first bottle and poured the contents down the sink, with the exception of one glass, which I drank. I extracted the cork from the second bottle, did likewise, and drank one glass, just to check the taste to see if the old fellow knew his wine making. He did.

I then opened the third bottle, and poured it, too, down the sink, but not until drinking one full glass to check the purity. It was very good. I did this, also with the fourth bottle. One glass for myself, and the rest down the sink. I pulled the bottle from the cork of the next, and drank one sink out of it and threw the rest down the glass. I pulled the sink out of the next glass and poured the cork from the bottle, then corked the sink with the glass, bottled the drink and drank the pour.

When I had everything emptied, I steadied the house with one hand, counted the bottles, corks, glasses and sinks with the other, which were 29, and as the house came by I counted them again, and finally had all the houses in one bottle, which I drank. I felt so foolish that I couldn't go upstairs and congratulate my wife to tell her what a great winemaker her grandpa was. I will do that after climbing the basement steps the next time they come by.

Announcement..... I am competing for a spot on the 2010 “Lilith Fair” tour. I’ve been placed in the “lilith local talent search: Vancouver channel” If you would like to support me in this dream of mine please consider a bit of your time to vote for me. May 1’st voting begins and is open to the fans. This involves registering at [www.ourstage.com/](http://www.ourstage.com/) and become a fan then you can vote. The song to look for is “Your Safe Hands” by Sasha Lewis on the “Lilith local talent search: Vancouver channel”. If you like what you hear please spread the word. More announcements coming as it all unfolds, but until then get ready to vote!

More info on how the voting and selection for emerging artist is chosen:  
From Lilith Fair Press-

“Beginning May 1, voting will open to the “fans” to narrow down the large number of entries to the Top 20 in each city. There will be two rounds of voting that follow: Quarter Finals (Top 10) and Semi-finals (Top 3). At this point, the public voting closes and Lilith co-founder and main stage headliner Sarah McLachlan, along with co-founders Terry McBride, Marty Diamond and Dan Fraser, in partnership with Kristin Bredimus, music expert from OurStage.com, will determine who the final winner is for each city. The local winners will be added to the already impressive and eclectic list of artists confirmed, like Mary J. Blige, Loretta Lynn, Norah Jones, Heart, Metric, Jill Scott, Cat Power and many more.”
