THANK YOU

Thank you from the McBride & District Chamber of Commerce. A big thank you to all who responded to our survey of how the unreliable electric power in the Robson Valley is effecting you and your business. We received informative responses and summarized them and are using the information obtained to impress BC Hydro, BC Transmission Corporation, and the government with the seriousness of this situation. We are hopeful that together with the Village and other interested bodies we will be successful in achieving satisfactory results.

The Graduating Class of 2010 would like to thank the community for their generous support at our Family Dance last Friday night. A very special thank you goes out to the Bressette family (Shane, Lorrie, Ellie, Sarah, Kenton & Gabe) for the awesome live music, as well as Logan Roussel, Zevan Burnett & Kenton Bressette's Band. Thanks to Derrick Littlechild for his hilarious stand-up & improv comedy act! And to the parents, family members & friends for all of their help in making our first ever Family Dance a HUGE success! See you at Grad!

The McBride Figure Skating Club would like to thank everyone that came out on Sun., May 2nd for the clean up and BBQ. We would also like to thank IGA and AG Foods for your big donations to our BBQ, it is greatly appreciated. We would also like to thank the Village of McBride for giving us the opportunity to be a part of the clean up this year. THANK YOU. See you all in the fall! We would like to thank the 60 people who attended the Take Back Our Forest meeting Friday, April 23 for their overwhelming support, input and ideas. Forty people signed up for our email list as supporters or to receive further information, as we expand our plans for an improved Community Forest. Thanks also for donations totalling \$387.60. Leaflet distribution and hall rental expenses totalled \$182.93, so the surplus will go towards future activities. You will be hearing from us again soon!

Al Birnie, Loranne Martin, Mike Monroe & Don Smith.

VILLAGE OF MCBRIDE

Community Input Notice

The Village of McBride is interested in replacing the bleachers at the Bill Clark Memorial Ball Diamond this year. We are planning to replace the existing structures with a similar design. A concept drawing has been completed on the proposed structures. Anyone interested in reviewing the drawings and providing comments on the proposed design may examine them at the office of the Village of McBride during regular office hours from May 5, 2010 to May 14, 2010.
