The McBride Community Foundation Committee is pleased to announce its first Mini Grant Program. Thanks to a generous donation from the McBride Community Forest Corporation and the Northern Development Initiative Trust, grants of up to \$250 are available for projects that assist the Foundation in achieving its mission: To improve the quality of life and benefit the residents of the Robson Valley through grants to Charitable organizations for projects that *enhance the health; education; arts and culture; sports and recreation; environment; social services; youth and seniors.* Until August 15th, 2010, the Foundation will be accepting grant applications. Information, the Granting Guidelines, Application, Project Description and Recognition Guidelines are available on the Foundation's section of the Village of McBride website. Loranne Martin, Chair, Sheliagh Foster, Joe Kolida, Mike Moseley and Russ Purvis. The Endowment Fund was made possible and special thanks in given to: The Prince George Community Foundation and the Community Foundations of Canada for their support and expertise in setting up the Foundations. The Village of McBride and staff, for providing on-going support to the Foundation and its Committee members. The Office of the Economic Development for applying for the matching grant. The Whistle Stop Gallery for running the logo contest to create a Foundation logo that captures the essence of the work the Foundation does. Sheliagh Foster submitted the winning entry which highlights the rippling effect of the work the Foundation does with Mount Robson in the background. Matthew Wheeler was runner up. The Gigglin' Grizzly for supplying the prizes and sponsoring the Foundation's Introduction Meet and Greet in which local registered charities met and discussed the Foundation's purpose and the upcoming granting cycle with Committee members. Thank you. Joe and Rosanna Kolida.

THOUGHTS
OF THE WEEK

Never under any circumstances take a sleeping pill and a laxative on the same night.

If you have to identify, in one word, the reason why the human race has not achieved, and never will achieve, its full potential, that word would be "meetings".

There is a very fine line between "hobby" and "mental illness". No matter what happens...somebody will find a way to take it too seriously.

When trouble arises & things look bad, there is always one individual who perceives a solution & is willing to take command. Very often, that person is crazy.

Nobody cares if you can't dance well. Just get up and dance. A person who is nice to you, but rude to the waiter, is not a nice person.

Never lick a steak knife.

Take out the fortune before you eat the cookie.

The one thing that unites all human beings, regardless of age, gender, religion, economic status or ethnic background, is that, deep down inside, we ALL believe that we are above average drivers. Your REAL friends still love you anyway.
