**THANK YOUS**

McBride residents do their share. A great big thanks to all who made dish cloths to clean the birds in the Gulf oil spill. We sent 48 cloths to our contact in Vancouver. We have the contact address at Odds N Ends if anyone still wants to make more dish cloths and send them on. We currently have about eighty hats for AIDS babies in South Africa, and our goal is to have 100 hats. If anyone still wants to make a hat or two (knitted or crocheted), please drop them off at Odds N Ends before November 13th. Thank you to all who contributed to this project. "Anyone one can do anything, however small, to assist those less fortunate." - Margaret Griffiths. **I would like** to thank everyone that helped out and/or donated cakes, prizes, supplies or games for the Fun Night that happened last Friday, especially Stedman's, AG Foods, Home Hardware and Crazy Cones. A special thanks to my fellow organizers Marion Cousineau and Connie Vizza for all their time and effort.

- Carrie Krenzler.

**A big thank** you and thumbs up to our dedicated RCMP and SAR members who got out of warm beds on a chilly September night to slog up the side of a mountain! - With thanks, Alison and Sam.

## THOUGHTS OF THE WEEK

If corn oil is made from corn and vegetable oil is made from vegetables. What is baby oil made from?

If a man is walking in a forest and no women is there to hear him is he still wrong?

Why can't woman put their mascara on with their mouth closed?

Why is it that when someone tells you that there's billions of stars in the universe, you believe them. But if they tell you there's wet paint somewhere you have to touch it?
