## THANK YOU

The ladies of the Anglican United Church Women thank all those  
who helped make our annual Harvest Supper such a success. We  
greatly appreciate the efforts of our volunteer workers who prepared  
vegetables, salads and desserts and who cooked hams and turkeys.  
A big thank you to the kitchen and floor staff for their untiring work  
in setting up the event and keeping the food tables loaded. There are  
many who donated both food items and cash towards the event and  
the ladies are most grateful for all your generosity. A particular thank  
you goes to Susannah Krinke who again this year single-handedly  
provisioned and manned the beverage table. And last but not least  
thanks to the patrons who came to share the food and the good  
fellowship that reminds us all what Thanksgiving is really about.

-McBride Anglican/United Church Women

### Open thank you letter to BC Hydro

McBride & District Chamber of Commerce, Info Centre at First &  
Main, 250-569-3366 or 1-866-569-3366, PO Box 2, McBride BC  
V0J 2E0, October 20, 2010. Mr. Dan Doyle, Chairman, BC Hydro,  
333 Dunsmuir Street, Vancouver, BC V6B 5R3. Dear Mr. Doyle,  
McBride & District Chamber of Commerce, Info Centre at First &  
Main, 250-569-3366 or 1-866-569-3366, PO Box 2, McBride BC  
V0J 2E0, October 20, 2010. We congratulate you and your colleagues  
on the completion of the Biosiesel Generating Station in McBride.  
We acknowledge that this is the first step in a multi-phased, long-  
term plan to improve power reliability from Tete Jaune to Dome  
Creek. We also recognize and appreciate the second part of this  
initiative, increased funding dedicated to hazard tree removal which  
will reduce the number of power outages throughout the Valley. The  
2 year program, started this year, is already showing positive results  
in less fallen tree caused power outages in spite of unusually high  
winds. Thank you for inviting us to be a part of the Robson Valley  
Task Force working towards long term improvements to the quality  
and dependability of power in the entire valley from Tete Jaune to  
Dome Creek. We look forward to continuing to work toward our  
mutual goal and anticipate achieving the desired results. Sincerely  
yours, McBride & District Chamber of Commerce, Bill Arnold,  
Chairman.
