THANK YOU

Words cannot really express our Thanks and gratitude for all the care, concern and prayers for Phil and our family.

Thank you all, for the visits, calls, cards, food, hugs and coming to the Memorial Service. Thank you to Dec, Elsie and Kevin. And to Craig for "running the Show". Thank you to Marilyn Wheeler for all her help and for reading the eulogy. And Thank you to Matthew Wheeler for helping Amber get the Powerpoint Slide Show together. Thanks to Dr. Cowburn and the wonderful care of Phil in the hospital. Special thanks to nurses Karen Desormeau, Marg Sansom and Nolan Frazier.

Thank you to Garry and Mable Moore and Don and Diane Smith for "being there" for us. And a very Special Thank You to Craig and Tonia Arnold, who helped so much when we needed them. We truly live in a wonderful, caring, "small town" area. The Best Place to Be. So Thank You all from the bottom of our hearts.

-Joyce and Amber Godfrey,

Chamber News

2010 is behind us and 2011 lies ahead. As in driving so in life we glance from time to time in the rear view mirror to note what is behind us but observe carefully what is ahead and set our course accordingly.

In the past year your chamber of Commerce was involved in many activities among which was the updating of the Bylaws and moving the date of the Annual General meeting from September to January thus our fiscal year will coincide with the calendar year. This years AGM will be January 26th.

The purpose of the meeting is to elect the directors and the Executive for the for the year. to briefly review the past years activities and to set a course for the year ahead.

We take this opportunity to thank the members of 2010 for their participation and to encourage new members to join with us for 2011. Membership is open to all businesses whether owned and operated by an individual or one with a large number of employees. Membership dues are based on number of employees.

We are also affiliated with the BC Chamber which represents similar business people province wide and is consulted by government on provincially important matters. The Chambers of Commerce are non partisan in nature, and work with all levels of government toward the betterment of their communities. The value of the Chamber lies in working together for the benefit of, not only the members, but the community as a whole.

COMMUNITY ANNOUNCEMENT

Talking about that New Year's Dance, great social happening. All kinds of people were there. All of them friendly and willing to socialise. And music - Great DJ. Only problem I had with that music was that you couldn't just sit at the table and listen. You just had to jump up and dance, twist and shout! So we did and we really enjoyed it. Like all those people around us. As I said, great social happening. Only one real problem with this New Year's dance that I have, and this time I am serious, that we have to wait almost a whole year for the next one. But that's how it goes in life.

-greetings from George
