In Loving Memory

Tony Molendyk
 July 13/30 - March 9/01

They say time heals all sorrow
 And helps us to forget
 But time so far has only proven
 How much we miss you yet.
 If we could have one wish
 One dream that could come true
 We'd pray to God
 With all our hearts
 For yesterday and you.

Your loving wife *Thelma and Family*

MOVIE NITE!

On Friday, March 18th, we will be hosting movie nite in the McBride Secondary Auditorium starting out with **THE CHRONICLES OF NARNIA AND THE VOYAGE OF THE DAWN TREADER** at 4:30 and then at 7:00 we will be showing **THE KING'S SPEECH**. As usual, there will be a concession available and tickets can be purchased for \$5 in advance at Stedman's, the McBride Trading Company, and at McBride Secondary or for \$6 at the door. Proceeds will go toward the Banfield Marine Research Station Field Trip.

The 4:30 film **THE CHRONICLES OF NARNIA AND THE VOYAGE OF THE DAWN TREADER**, is a return to the third in the series of C.S. Lewis' children's classic novel. This time around Edmund and Lucy Pevensie, along with their pesky cousin Eustace Scrubb find themselves swallowed into a painting and on to a fantastic Narnian ship headed for the very edges of the world. Joining forces once again with their royal friend Prince Caspian and the warrior mouse Reepicheep, they are whisked away on a mysterious mission to the Lone Islands, and beyond. On this bewitching voyage that will test their hearts and spirits, the trio will face magical Dufflaptops, sinister slave traders, roaring dragons and enchanted merfolk. Only an entirely uncharted journey to Aslan's Country - a voyage of destiny and transformation for each of those aboard the Dawn Treader - can save Narnia, and all the astonishing creatures in it, from an unfathomable fate. This film is 113 minutes long and is rated PG.

The 7:00 film, **THE KING'S SPEECH**, won this year's Best Picture, Best Director and Best Actor at the Academy Awards and is a memorable film! This wonderfully inspirational film, tells the story of the man who would become King George VI, the father of the current Queen, Elizabeth II. After his brother abdicates, George Bertie VI (Firth) reluctantly assumes the throne. Plagued by a dreaded nervous stammer and considered unfit to be King, Bertie engages the help of an unorthodox speech therapist named Lionel Logue (Rush). Through a set of unexpected techniques, and as a result of an unlikely friendship, Bertie is able to find his voice and boldly lead the country into war. From here, "The King's Speech" plays out like a royal "Pygmalion" and it's easily one of the year's best films. (We would like to warn people that the f-word is used about 11 times in the movie, intended for more but stopped at f or fu many times, as with "sh***", "bast**d", "f**s", and "bugger". However this is in the context of the Prince's speech therapy under the supervision of his therapist, which is meant as a way of venting stammer-fueled stress.) This movie is 118 minutes long and is rated PG-13.
