AL BIRNIE FOR MAYOR

Restore Our Spirit... with a Mayor Who Cares

#6 See You In September!

Over the past two months I have raised some of the issues I think are important in revitalizing the political process in McBride. I am signing off for now, but will return with more in September, when the election campaigns will get into full swing (unless something crops up during the summer that needs commenting on).

I will spend time hiking and trail-clearing around the Valley; enjoying our local summer events like Pioneers' Day, the ice cream social and the music festival; watching the Women's World Cup of soccer on TV; finishing off my new workshop; and continuing to shed pounds on The Diet.

One last short comment: Rick Thompson's rant at me in The Goat on May 5 is full of half-truths and "spin", designed to reinforce the myth that the MCFC is doing all it can for the local economy. He also claims that I am the only one with these views; conveniently ignoring the huge public outcry in February and March of 2010 over MCFC shortcomings.

I stand behind all the statements I have made. Local mill operators, most loggers, and many astute citizens of McBride know very well that they are true!

MOVIE NIGHT

FRIDAY, JUNE 17TH

McBride Secondary will be hosting the last MOVIE NITE for this school year on Friday, June 17th! Tickets are \$5.00 at Stedman's and at McBride Secondary or \$6.00 at the door. A concession is available. Movie nites will return next September!

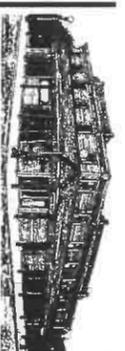

The 4:30 movie is RANGO. Paramount Pictures presents the story of a sheltered chameleon (voice of JOHNNY DEPP) named Rango who is an ordinary family pet that faces a major identity crisis. When he accidentally winds up in the gritty, gun-slinging town of Dirt - a lawless outpost populated by the desert's most wily and whimsical creatures - the less-than-courageous lizard suddenly finds he stands out. Welcomed as the last hope the town has been waiting for, new Sheriff Rango is forced to play his new role to the hilt . . . until, in a blaze of action-packed situations and encounters with outrageous characters, Rango starts to become the hero he once only pretended to be. This movie is 1 hr. and 47 min. and rated PG.

The 7:00 movie is THE ADJUSTMENT BUREAU. Do we control our destiny, or do unseen forces manipulate us? MATT DAMON stars in this thriller as a man who glimpses the future Fate has planned for him and realizes he wants something else. To get it, he must pursue the only woman he's ever loved across, under and through the streets of modern-day New York. On the brink of winning a seat in the U.S. Senate, ambitious politician David Norris (Damon) meets beautiful contemporary ballet dancer Elise Sellas (Emily Blunt) a woman like none he's ever known. But just as he realizes he's falling for her, mysterious men conspire to keep the two apart. David learns he is up against the agents of Fate itself - the men of The Adjustment Bureau - who will do everything in their considerable power to prevent David and Elise from being together. In the face of overwhelming odds, he must either let her go and accept a predetermined path. The movie is 1 hr. 39 min., and rated PG-13.
