Fraser Heritage Festival celebrates Rivers Day, September 23, 2011. Interaction between students from both McBride schools and public participants will create awareness of the importance of rivers and watersheds in the Robson Valley. Students from one of Mrs. Howard's science classes and Joel Zahn's Grade 4 students are doing water testing together at a local stream. In addition they will be stencilling fish images on the storm drains in McBride to raise awareness that what we dump could flow into our rivers and streams and harm fish and aquatic life.
