## **Barfield Trip Returns for 2011/2012**

The grade 8 Science and grade 11 Biology classes are planning for the annual trip to the Barfield Marine Sciences Centre on Vancouver Island. Students will travel to Barkley Sound where they will participate in a "hands-on introduction to marine biology, ecology and coastal biodiversity." The trip is scheduled for March 12-15th. To help fund their trip, students will be participating in the following fund-raisers:-The Apple Pie fundraiser begins in September. We plan to have the pie pickup day in time for Thanksgiving. Dates will be announced soon.

-Award winning BC Artist Janice Robertson very kindly donated an original oil painting, "Cloudbusters". To be raffled off this fall/winter.

-The popular Friday Night Movie returns this September as well. We will keep you posted on what is coming up. Thank you to McBride and surrounding communities for past and continued support. These trips are memorable and truly enrich the science curriculum for students. If you would like to volunteer for pie making or for more information regarding fundraising call Marion Cousineau at 250-968-4479 or Karen Shaw at 250-968-4331.
