Memorium Thank You

Grzegorz Kisiel - New Mountain Man. Mechanical genius. Could build and fix anything he wanted. Anybody who knew Greg fell in love with his intense attitude and his passion to be GREG. Greg had the heart of a lion. Greg passed away on October 19, 2011. He will be missed by all who knew him. Grzegorz' friends and family would like to thank the community for making him feel like this place was his home. This was his home and will always be RIP GRZEGORZ KISIEL. Love Family and Friends.

HAPPY HALLOWEEN!!!!

Starting at 4:30pm, Robson Valley Jr. Academy and Robson Peaks Pathfinders/Adventurers, will be collecting non-perishable food items for the Foodbank. The response over the years has been wonderful! Thank you all! If we happen to miss you and you would still like to donate, you can call Kristy Warner 569-0022, or you can drop your food items off at Dorcas on Tues. between 1pm & 3pm.

THANK YOUs

The McBride Secondary School Jr. Girls Volleyball Team would like to thank the Bank for allowing us to have our Chili & Bake Sale there. Also a thank you to all that contributed. It was very successful.

A BIG THANK YOU GOES OUT TO: The Elementary School for the use of the mats, E-free church for the use of the space, to James Bos (RCMP Valemount) for his knowledge and skills, Barry Kennedy (RCMP McBride) for allowing James to demonstrate moves on you, and to the participants who joined us Saturday evening for the Self Defence Workshop. Thank You again, Liz and Penny, Robson Valley Support Society.

Thank you so much! The ladies of the Anglican/United Church Women thank all those who helped to make our 2011 Harvest Supper such a success. This year we changed from three sittings to one sitting, and with the excellent cooperation of the diners and the smooth-working kitchen and serving staff the new system worked. Thanks and love to all those who donated meat, vegetables, desserts and beverages. And to all the volunteers who gave freely of their time to set up, prepare, cook, serve and clean up. And our deep gratitude to all the citizens who attended and supported our efforts. The generosity, energy and goodwill of all concerned made our community celebration of Harvest time a joy.

D. Simpson, For the AUCW, McBride.

Thanks to all the customers who supported the Bamfield Trip fundraiser through the purchase of apple pies. Massive appreciation to community members, parents, grandparents, friends and students who put in a long, busy day making the pies. The Gigglin' Grizzly contributed to our lunch and we really appreciated the yummy appies. A special thanks to Dutch and Brenda for providing all the groceries for this endeavour at cost; your support helped produce a respectable profit supporting students going to Bamfield. Once again McBride has demonstrated wonderful community spirit.

Pee Wee news: Thank you to all our spectators at this weekend game! What a great turn out. Thanks. A special Thank you to Home Hardware for their generous donation of our new Jerseys. Wow we looked great. Thanks to our O' Canada singers Billie, Brooklyn and Cassidy. Thanks to our refs and time keepers. Thank you to everyone who did their part, Dutch and Brenda, 50/50, penalty box keepers, parents, coaches and the players. Job well done! We won both games, 9-1 and 6-4. Our next game in town is Sat., Nov. 5, 10:00am and 4:00pm against Hinton. Hope to see you there!

Thank you so much Brenda & Dutch at McBride AG Foods for the Foodbank BBQ fundraiser, all proceeds to the Foodbank, a total of $835.00, was raised. What a Blessing for the community. Thank you to those who donate their bottle money for the Foodbank, and the sorter at the depot. We are truly Blessed to be in a community such as this. Thank you from the volunteers at the Foodbank.

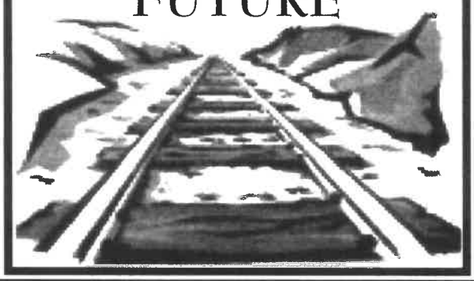
ON TRACK TO A BRIGHTER FUTURE



Chamber of Commerce News

Municipal, Regional District and School Board elections are Scheduled for Nov. 19th 2011. Thank you to all whose names will appear on the ballets. The fact that you are passionate enough about our community to commit the next four years to this type of public service speaks volumes for your dedication to the Robson Valley. We appreciate this. Your Chamber of Commerce is hosting a Meet and Greet social on Nov. 3rd 7:00 to 9:00 PM at the Elks Hall. We have invited all the municipal and Regional Candidates to join us to meet with the people they hope to represent over the next 3 years and to share with them their passion for the community. This will be an opportunity to ask questions and share ideas. 'An informed electorate makes informed choices.' With 17 names on the Municipal and Regional District ballots it is important that every eligible voter exercises their right to vote. Let us set a provincial record for voter turn out. AL BIRNIE FOR MAYOR

Restore Our Spirit . . . with a Mayor Who Cares

#8 New Brooms Can Clean Things Up

Once it was difficult to find anyone willing to stand for a municipal council seat, with most filled by acclamation. It's not the case any more! All across B.C. this year, there is an explosion of candidates, with people obviously realizing the importance of vibrant and open local government, and stepping up to offer their ideas and energy. McBride is certainly part of that movement!

I know that McBride residents are more than ready for a new Mayor, and I am willing and able to work co-operatively with whoever gets elected to Village Council. But why limit change to the Mayor's chair? In addition to Mayor Frazier, we have a core of three Old Guard current and former councillors running, who offer us only more of the same old politics that have us stuck in the mud spinning our wheels. On the other hand, there are eight brand-new faces to choose from for four Council seats; and by listening carefully to their ideas, there will be choices to satisfy almost any personal outlook. Why don't we let some new brooms out of the closet?

In choosing, it's very important to be clear on the direction any candidates want to take McBride in. My first leaflet, *"A Vision for Restoring McBride"* outlines in detail both my priorities, and how the community can be mobilized to give input, direction and success to our efforts. [Call me at 569-4101 if you haven't got one yet.] My vision calls for hard work, slow progress, open government, and community participation to get us solidly back on track.

The Old Guard, however, are "**promising**, cautiously" a magic solution, without any involvement on our part, from a company that doesn't have the remotest possibility of delivering the goods (just go to their website and read their financial reports!).

Which direction do **you** think will get results?
