CELTIC CLASSIC

The Prince George Youth Orchestra and the Robson Valley Fiddlesticks Present: Celtic Classical! Two of Northern Columbia's much loved musical ensembles will join forces to present an eclectic concert that mixes Classical with Celtic music on Saturday, June 2nd at 7:30p.m. at the McBride Evangelical Free Church, and on Sunday, June 3rd, 2012, at 3:30p.m. in the Valemount Secondary School Theatre. Featuring the Prince George Youth Orchestra (PGYO) and the Robson Valley Fiddlesticks. The concert will cover everything from Mozart, to Jigs, to Michael Jackson, and everything in between. In recent years, the PGYO has become one of Northern British Columbia's largest youth orchestras. "It has been exciting to see so many young people dedicate themselves to music, whether it's classical or pop influenced tunes!" said Sebastian OSTERTAG, music director of the PGYO. A program of the Prince George Conservatory of Music, the PGYO consists of Junior and Senior orchestras, with many students joining on to perform with the Prince George Symphony Orchestra and other ensembles throughout Canada. This performance is part of an annual tour that has in recent years also traveled to Williams Lake and 100 Mile House. "The PGYO has been preparing for this tour since September and we are very excited to be joined by other young musicians to perform in McBride and Valemount." Proceeds from this concert will support the PG Youth Orchestra, as well as the many programs that the Prince George Conservatory offers in Northern BC, and will feature some of our area's finest young musicians. Admission is by Donation. For more information contact the PGCM at 250-564-7467, or email Sebastian OSTERTAG at sebastian.ostertag@gmail.com

COMING EVENTS

The McBride Secondary Senior Drama Class presents Eddie McPherson's **COOKING CAN BE MURDER**. The 25th Annual Remington County Fair is not a dull day, due to the dramatic death of special guest judge Mr. James Casanova Valentino Bond. The mysterious Detective Biddle arrives, proclaiming that the answer to this murderous riddle is that Casanova has been poisoned by one of the seven cooks, but which one? The suspects range from aristocratic amateur bakers, to tempting librarians, to boring pet lovers, to mesmerizing stupid blondes. Through a series of invasive questions, historical re-enactments, failed escape attempts, grammatically incorrect statements, vicious rolling pins, wild dances, seductive flirtations, deceitful bakery items, and repeated insults, these inept characters attempt to find the truth behind the murder of a man whose main crime was seducing one person too many - as well as destroying countless lives - who found out the hard way that **COOKING CAN BE MURDER!!!** Presented in **THE ROUNDHOUSE THEATRE** on May 30th and May 31st at 7 PM.

Fish and Bird are coming to our Valley for the last of our wonderful Dunster Schoolhouse Concerts. I can't think of a more lovely way to end this series and enter into our busy and long awaited summer season in the Robson Valley! Fish and Bird, began in Victoria in 2006 as an acoustic duo comprised of Taylor Ashton (Banjo, Guitar and Vocals) and Adam Iredale-Gray (Fiddle). Some friends enlisted to help fill out the sound on their first record and live shows, and eventually became a permanent part of this now 5 piece indie-folk-roots powerhouse we know today. They like to explore the space between traditional folk music and reckless creativity, sometimes it seems like they are playing bluegrass, and they might even make you cry. Recently the band released their 2nd full length album "Every Whisper is a Shout Across the Void" has met with rave reviews. The band performed to a sold out CBC studio audience for a concert that aired on radio and television nationwide. They were selected to perform an official showcase at the International Folk Alliance Conference in Memphis Tennessee. They also picked up a Western Canadian Music Award nomination. Most recently, they played a sold out show in Vancouver with Spirit of the West, and are looking ahead to a busy festival touring season! Come and see what all the buzz is about on Thursday, June 7th at 7:00pm at the Dunster Fine Arts School. Tickets are available at the Door for \$15 Adult and \$8 for 6-14 year olds. Under 6 are free. There will be a concession of yummy things too! www.fishandbird.ca

100 Years of Monroes in the Robson Valley: Everyone invited! June 16, 2012. Welcome to a potluck breakfast, 8:00 - 9:30 am at the "Mountainview Community Hall," the building that once housed Phil Marsh's farm store on Mountainview Road. We have photos, family tree and a power point display to share. A look at "changes through the years" will follow with a Trapping presentation by Bryan Monroe, a Telephone Pole camp and forestry presentation by Mike Monroe and a tour of home sites and memories through the eyes of Dave Marsh and Shirley Gardner. Come back for sandwiches and more visiting after the tours and presentations.
