The Robson Valley Community Learning Project

is an initiative under the Robson Valley Support Society umbrella that promotes literacy in the valley. Literacy is more than just reading and writing. It is about having the skills essential for living a good life and supporting one's self and family. There are a range of agencies and services in the Robson Valley that assist individuals in acquiring these skills. These include: •The Elementary and High Schools, •The McBride and District Public Library, •Robson Valley Support Society, •Stepping Stones Day Care, •Northern Health - Public Health Division, •Faith organizations, •The RCMP, •The Robson Valley Arts and Culture Council, •The Robson Valley Recreation Centre, •The Old Age Pensioners Organization, •The Dome Creek Reading Room, •The Dunster Fine Arts School Society, •The Dunster Community Association. The Community Learning Project aims to bring together representatives from these and other groups to develop a shared vision for literacy and life long learning. The Community Literacy Outreach Coordinator works to make connections, mobilize resources, support existing community services, build relationships and support community resiliency. The Community Learning Task Group advises the coordinator so this community development work reflects the shared vision of the community. If you are interested in becoming involved in the Community Learning Task Group please plan on attending our meeting on Friday, September 14th from 10:00 until noon at the Robson Valley Support Society Office in McBride. The Dunster Fine Arts School Society (DFASS) was formed in June of 2010 when School District #57 closed the school. As a non-profit society we were able to purchase the school building and property. During the 2010/2011 school year we continued to hold classes for several students with community members volunteering as supervisors. Now these students are either attending school in McBride and Valemount or doing a home schooling program. In the past two years the school has provided a venue for: •the traditional community Christmas Concert and seniors lunch, •school house concert series featuring indie performers from around the country, •a weekly parent-run play group for preschoolers, •a climate change/community forest conference featuring presenters from UBC, SFU and UNBC, •adult education courses (guitar, keyboards, psanky eggs, computers, creative writing), •floor hockey in the gym, •the Dunster Community Forest Office. If you are interested in booking the Dunster Fine Arts School for a community event please call Pete Amyoony at 250-968-4334. Currently the goal of the DFASS is to pay down the mortgage on the school. Volunteer stitchers from the Dunster community have created "The Fraser River Quilt." Rafting off this quilt is one of our fund raising efforts to reach this goal. You can purchase tickets for the DFASS quilt raffle at the following venues in the valley: Infinity, Bear Paw Den Outlets, The Dunster General Store, The Farm Store and Odds and Ends. The winning ticket will be drawn towards the end of October. For more information of the DFASS quilt raffle please call Stefi McLean at 250-968-4310. Thank you for supporting the DFASS by purchasing a ticket on the "Fraser River Quilt." Submitted by Nancy Taylor.
