**Success by 6** funding opportunities - Non-profit organizations between Dome Creek and Alhreda are now invited to submit applications for funding through Success by 6. Applications for projects that make communities more family-friendly or support young children (0 - 6) and their families through alignment with the Robson and Canoe Valleys Community Plan, will be accepted until December 31/12. The 2012 - 2014 Community Plan covers five strategic goals: 1) promotion of early literacy; 2) improvement of access to family support and behavioral support; 3) promotion and education on the importance of early child development to increase referral for services; 4) increasing knowledge and services for mental health for children; and 5) on-going 2 and 3 year old screening and identification of children who may need extra services. A second funding opportunity is also available through Success by 6's Aboriginal Engagement initiative, for projects that engage and support aboriginal children (0 - 6) and their families in the Robson and Canoe Valleys. Projects accepted will align with one or more of the priority areas which have been identified as key to decreasing the number of vulnerable children and increasing the number of children thriving in B.C. Priority areas are: 1) capacity building through partnerships that support Aboriginal children and families through community-driven approaches; 2) cultural awareness; 3) early child development awareness and promotion. Applications will be accepted until December 31/12. Success by 6 believes in helping all children succeed for life. Learn more about their goals, initiatives and projects at [successby6bc.ca](http://successby6bc.ca). Digital or hard-copy applications, assistance and further information are available from Success by 6 Outreach Coordinator Kim Thorn, at [kthorn@cbal.org](mailto:kthorn@cbal.org) or 250-566-8467.
