 This store has been here since 1975. The store changed owners in 2003. The store's owners have decided to cease operations in conjunction with the end of the lease on the site. The store will be closing to business on August 31, 2013. This will allow a month to clean up and empty the space as required by the lease before the actual end of the lease which is September 30, 2013.
 The store may actually close before then as inventories are reduced prior to closure. Until then it is business as usual.
 The store will, as much as possible, continue to honor the IGA flyer advertised items.
 There are approximately 13 employees at the store.
 The employees and landlord were advised on April 23, 2013.
 The owner wishes to thank his staff for their loyalty and service, the customers who patronized the store and the community!!
