The Governance Learning Task Group

would like to thank more great community volunteers for moving the Open Gate Garden from a dream into a reality. Wes Phillips for cutting down the willow tree and removing it from the site; Tony Rykes, Dale Stephens, David Wells and Andreas Haugk for installing the deer fence under the expert management of Ewan Williams; and Les Savarella for the beautiful cedar gate at the front of the garden. Many of the beds are planted; others are spoken for, but there are still some available. To sign up for a bed, please go to the McBride Library, read and sign the User's Agreement and pay the \$20.00 seasonal fee. Then you can choose an empty bed and plant. We will have two accessible beds at the front of the garden. If you have mobility issues or know of someone who does, please let us know and we will do our best to accommodate you.

Thank you to Pete Amyoony, Carol Ann Romanow, IGA and the Farm Store for donating bedding plants. They are on the site and free for gardeners to use.

The Open Gate Garden is open to the community. It is not open to the deer that roam through McBride. Please close the gate when you leave. Contact Nancy Taylor at 250-968-4358 or Naomi Balla-Boudreau at 250-569-2411 with any questions or concerns.
