## A LITTLE TWINKER...

Smiling is infectious,  
You catch it like the flu.  
When someone smiled at me today,  
I started smiling too.  
I passed around the corner,  
and someone saw my grin.  
When he smiled I realized,  
I'd passed it on to him.  
I thought about that smile,  
then I realized its worth.  
A single smile just like mine,  
could travel the entire earth.  
So, if you feel a smile begin,  
don't leave it undetected.  
Let's start an epidemic quick,  
and get the world infected!

### AMAZING, SIMPLE HOME REMEDIES:

**Avoid cutting yourself** when slicing vegetables by getting someone else to hold the vegetables while you chop.  
**A mouse trap** placed on top of your alarm clock will prevent you from rolling over and going back to sleep after you hit the snooze button.  
**If you have a bad cough**, take a large dose of laxatives; then you'll be afraid to cough!  
**You need only two tools in life** - WD-40 and Duct Tape. If it doesn't move and should, use the WD-40. If it shouldn't move and does, use the Duct Tape.  
**If you can't fix it with a hammer**, you've got an electrical problem.
