# Growing Kids God's Way Seminar

*Reaching the Heart of Your Child  
With a God-Centered Purpose*

Presented by

**Gary and Anne Marie Ezzo**

Originally published in 1986 and updated in 1996, Growing Kids God's Way was the first major parenting curriculum written for the Christian community, and has since served over two million households. While the years have passed away, and fashions have changed, the principles contained within remain timeless. The fifth edition Growing Kids God's Way workbook and DVD presentation continues to provide parents with hope, encouragement and practical instruction in their duty of raising morally responsible and biblically responsive children. The curriculum serves parents of preschoolers through the middle years. A children's program will be provided during the seminar.
