### MISSING!!!

Missing and A.W.O.L. from its home at the front (track side) of the Beantry. 1 Rebar Metal Bicycle Stand, last seen Monday, September, 21st. Bicycle Stand is approximately 2 1/2 feet tall, 8 feet long, and 2 feet wide. Rusty Rebar in color. He may be in the company of a 9 lb. Spitting Maul with a red fibreglass handle. He left his 30 year residence on Dominion Street earlier this year. Both are sadly missed by friends and family and we would love to see them return to their homes - No Questions Asked.... Thank You!

### Ozalerka Alpine Club

On Sunday, about 30 hikers from McBride to Valenmount, as well as numerous others from far away, were blessed by a magnificent day and marvellous alphon echoes at Kinney Lake. Keith Berg and Jane Houlden played wonderful alphon music at 3 places around the lake and, with careful listening, we heard the tones coming back in 5 echoes. A hiker coming down from Berg Lake said he could hear the music soon after he left Whitehorn, and Hannah and I enjoyed listening from the Kinney Lake bridge when the horns were at the campsite a mile away. There were NO clouds on Robson and hardly a ripple of breeze on the lake, so conditions were perfect. Thank you again to Al Birnie for organizing a summer of wonderful adventures in the Robson Valley!  
This Sunday's hike will be in the alpine between McBride Peak and Teare Mountain. Rendezvous at Koennan Park at 8 a.m. to carpool. For more information contact Al Birnie at 569-4101 or Glen/Elsie Stanley at 569-2596.
